SUMMARY

The following is the decision of Council from its May 2012 meeting.

Moved Clr. Turner, Seconded Clr. Crook that Boundary Consultation/Expansion be a standing item on the Council agenda until resolved. Council supports making this a priority for Council.

COMMENT

February, 2013

Clr Turner and CEO met with the Minister for Local Government to discuss this issue.

March 2013

The Minister for Local Government has approved a SP Grant of \$10k to assist with financial modelling and review of boundary changes.

May 2013

Information on the number of lots, roads etc in the unincorporated land area has been requested from the Dept. of Local Government.

November 2013

A/CEO to write to Minister for Local Government and Regions and Member for Daly to meet with Council.

January 2014

Boundary Expansion Opportunity document completed.

February 2014

Meeting with Minister Tollner, Local Government and Regions to discuss Boundary Expansion Opportunity

April 2014

The Department of Local Government were advised that Council wished to proceed immediately with the Dorat Road area and the Litchfield National Park. Council was continuing to investigate the Mt Ringwood Road and the Douglas Daly region. The areas are to be processed individually to ensure that issues arising in one area do not impact on other areas. An invitation has been forwarded to Minister Tollner's office.

May 2014

The Department of Local Government has arranged for the Surveyor General to draw up and define the Additional land proposed to be incorporated into the Coomalie Community Government Council area. The first area to be included is the locality known as Robin Falls.

June 2014

The Minister for Local Government visited Council on Thursday 6 June 2014. He was particularly supportive of Council's proposal to include areas outside the current proposal into the Council area. These included Litchfield National Park, Douglas Daly Region and Mt Ringwood area and the Litchfield region to the west to the current boundary.

A meeting was held between The Department of Local Government representative, CEO from Belyuen Council and the president and CEO from Coomalie. The meeting was to initiate dialogue between the parties regarding possible incorporation of areas with the respective Council areas.

July 2014

A further meeting has been held with Belyuen Council regarding the future inclusion of unincorporated land within the Local Council areas. The second meeting was held at Belyuen and was attended by representatives of both Councils and the Department of Local Government.

The participants agreed to continue joint discussions. It was suggested that this should be through a Transition Committee set up and supported by the Minister for Local Government.

A notice was published in the Government Gazette on 3 July 2014 which includes the Robin Falls area in the Coomalie Community Government Council area.

August 2014

The property information for the Robin Falls area has been difficult to obtain. A direct approach was made to the Minister for Lands Planning and Environment. Initially the Department's computer system could not produce the appropriate report. The Department has now provided copies of the individual title searches of each property.

September 2014

Council received advice that the Minister for Local Government and Regions did not agree to the formation of a Transition Committee. David Tollner resigned his position as Minister for Local Government and Regions and the Chief Minister The Hon Adam Giles has taken on the responsibility.

The Shire President and the CEO met with The Department of Local Government Executive Director Mr David Willing and The Special Projects Manager, Mr Shaun Hardy on Wednesday 3 September 2014 to discuss the future expansion of the Council area.

Council sent letters of introduction to the 59 properties listed in Robin Falls with the information provided by the Department of Lands. 12 Letters have been returned as not known at the address provided.. Contacting the current owners has been the largest single issue coming out of the new area being included in the Council Boundary.

October 2014

Council staff have responded to letters of complaint from affected Robin Falls residents. The Department of Local Government have advised that any further work will be delayed until the appointment of a new Minister for Local Government.

November/ December 2014

A number of landowners in the Robin falls area have made complaints to the NT Ombudsman regarding the incorporation of the area into Coomalie Community Government Council area. The Ombudsman has requested information regarding the incorporation and this has been provided to the Ombudsman.

February 2015

Ombudsman has finalised responses of complaints against Council. It found Council does not have a case to answer in relation to the process to incorporate the Robin Falls area into the Council area. Following a Council reshuffled the Hon Bess Price has retained the portfolio of Local Government and Community Services. The Minister will be visiting Council on Friday 27 February 2015.

Ms Pam Donovan resigned her position as Library Officer at the Adelaide River library from the beginning of February. The existing receptionist's position at Council's Batchelor office has been redesigned to incorporate the library work at Adelaide River. The library times will remain the same. Council can now offer basic Council services at Adelaide River for 3 days per week instead of once a month. The services Council now offer are, resident information and requests, registration of dogs and payment of Rates as well as the library services. This change will enhance the level of service to the Community, particularly now that Robin Falls is included in the Council area. Ms Hilary Brett is now working in the Library Officer position.

Staff

Mr Alex Selems finished up as a Casual Service Operator on 30th January 2015. Mr Selems provided a valuable resource during his time with Council and intends to pursue a career elsewhere.

Council advertised again to fill the vacancies in the operation's section prior to Christmas. There were two standout candidates and they have been engaged. They are Mr Hayden Edwards and Mr Ben Harwood

Mr Bill Selems role has changed and a large part of his work is servicing the Adelaide River Transfer Station and the Batchelor Landfill. The new positions will take up the slack previously covered by Mr Selems.

SUMMARY

Changes to the Local Government Act in 2014 require Council to have a formal Caretaker Period Policy. The Caretaker Period is from the date of nominations for a general election until the results of the election is declared.

The Caretaker Period Policy outlines the type of business that Council can consider, and the actions of Councillors and staff, to ensure there is no advantage or perceived advantage to sitting Councillors over new candidates in the forthcoming general election.

A draft Policy has been prepared for Council's consideration.

STATUTORY ENVIRONMENT

Section 96A of the Local Government Act provides that:

- (1) A council must formally adopt by resolution a caretaker policy governing the conduct of council and staff during the period that:
 - (a) Commences on the nomination day for a general election as defined in the Local Government (Electoral) regulations; and
 - (b) Ends when the result of the election is declared under Regulation 56 of those Regulations.
- (2) The caretaker policy must be made in accordance with any guidelines that the Minister may make.
- (3) If the Minister makes guidelines under subsection (2), the Council must formally amend by resolution its Caretaker Policy so that it complies with the guidelines, as soon as practicable after the guidelines are made.

SUMMARY

From time to time Councillor Vacancies occur. If the vacancy occurs more than 12 months from the next scheduled General Election Council must hold a by-election. However, sometimes a vacancy occurs within the twelve months leading up to an election. The Local Government Act allows Council to have a policy to cover the issue.

A draft Policy has been prepared on the procedure to occur if a vacancy occurs within 12 months of the next General Election for Council's consideration.

BACKGROUND

Nil

COMMENT

The draft policy provides a procedure for Council to follow if a vacancy occurs. If the vacancy occurs within 12 months of the next general election, Council may co-opt a person to fill the vacancy. As there is no default clause for this situation, it is considered that if Council does not co-opt a person then the vacancy remains until the next General Election.

There appears to be no provision to hold a by-election during this time.

SUMMARY

\$80,000 was allocated to upgrading the Council Administration office in Batchelor. The plan involved changing the entrance and layout of the building.

Further advice has indicated that changes to the Building structure will trigger the requirements of the Disability Access Code 2011. This requires building used by the public to be upgraded to meet the Code if any

planned alterations require a Building permit. The cost to complete this work will be prohibitive and well outside the funds available.

Following a number of staff meetings the work will concentrate on refurbishing the existing Administration building as well as construction of a separate covered walk way to the Council Chambers. The major change will be the existing compactus file cabinet will be relocated into the area adjacent to the toilet currently occupied by the cupboards.

BACKGROUND

Council received a special purpose grant for \$146,030 to renovate and upgrade the administration building, depot and toilets.

Australia Day

Approx 200 people gathered from 7.30am at Batchelor School for breakfast with the later starting time being appreciated. This year we trialed the Australian, the NT and the Indigenous flag being carried on horseback, the change worked well and received many positive comments. The event was well supported by St John, FERG and NT Police. The dog and duck show proved a crowd pleaser.

Five different locations are registered for the Coomalie Region. All Councillors are involved with the various sites as supervisors or driving clean up vehicles. Barbeques will be held at Batchelor, Adelaide River and Lake Bennett. I have purchased 5 Rubbish pickers @ \$25 each, plus soft drinks and food for the barbeques.
