### SUMMARY

The following is the decision of Council from its May 2012 meeting.

*Moved Clr. Turner, Seconded Clr. Crook that Boundary Consultation/Expansion be a standing item on the Council MINUTES until resolved. Council supports making this a priority for Council.*

### COMMENT

#### June 2014

The Minister for Local Government visited Council on Thursday 6 June 2014. He was particularly supportive of Council's proposal to include areas outside the current proposal into the Council area. These included Litchfield National Park, Douglas Daly Region and Mt Ringwood area and the Litchfield region to the west to the current boundary.

A meeting was held between The Department of Local Government representative, CEO from Belyuen Council and the president and CEO from Coomalie. The meeting was to initiate dialogue between the parties regarding possible incorporation of areas with the respective Council areas.

#### July 2014

A further meeting has been held with Belyuen Council regarding the future inclusion of unincorporated land within the Local Council areas. The second meeting was held at Belyuen and was attended by representatives of both Councils and the Department of Local Government.

The participants agreed to continue joint discussions. It was suggested that this should be through a Transition Committee set up and supported by the Minister for Local Government.

A notice was published in the Government Gazette on 3 July 2014 which includes the Robin Falls area in the Coomalie Community Government Council area.

#### August 2014

The property information for the Robin Falls area has been difficult to obtain. A direct approach was made to the Minister for Lands Planning and Environment. Initially the Department's computer system could not produce the appropriate report. The Department has now provided copies of the individual title searches of each property.

#### September 2014

Council received advice that the Minister for Local Government and Regions did not agree to the formation of a Transition Committee. David Tollner resigned his position as Minister for Local Government and Regions and the Chief Minister The Hon Adam Giles has taken on the responsibility.

The Shire President and the CEO met with The Department of Local Government Executive Director Mr David Willing and The Special Projects Manager, Mr Shaun Hardy on Wednesday 3 September 2014 to discuss the future expansion of the Council area.

Council sent letters of introduction to the 59 properties listed in Robin Falls with the information provided by the Department of Lands. 12 Letters have been returned as not known at the address provided.. Contacting the current owners has been the largest single issue coming out of the new area being included in the Council Boundary.

#### **October 2014**

Council staff have responded to letters of complaint from affected Robin Falls residents. The Department of Local Government have advised that any further work will be delayed until the appointment of a new Minister for Local Government.

#### **November/ December 2014**

A number of landowners in the Robin falls area have made complaints to the NT Ombudsman regarding the incorporation of the area into Coomalie Community Government Council area. The Ombudsman has requested information regarding the incorporation and this has been provided to the Ombudsman.

#### **February 2015**

Ombudsman has finalised responses of complaints against Council. It found Council does not have a case to answer in relation to the process to incorporate the Robin Falls area into the Council area. Following a Council reshuffled the Hon Bess Price has retained the portfolio of Local Government and Community Services. The Minister visited Council on Friday 27 February 2015.

#### **March 2015**

The Minister has advised that she is supportive of the previous Minister's position in relation to the incorporation of the unincorporated lands. The Minister stated she would consider a request for assistance to develop a consultation and communication strategy.

#### **April 2015**

A request has been sent to The Parks and Wildlife Commission to start discussions regarding the incorporation of the Litchfield National Park into Coomalie Shire's area.

#### **June 2015**

A meeting of the BCWLGAG was held at Belyuen on Tuesday 9 June 2015. It was attended by Presidents/Managers of the three Councils along with the CEOs. The Department of Local Government had three representatives including the Director Mr David Willing. The main discussion revolved around the incorporation of the remaining unincorporated areas into Councils. The Department will be guided by the discussions within Cabinet to be held at the end of June.

#### **July 2015**

The President and CEO met with The Director of the Department on Thursday 16 July to discuss the sustainability of the Council and discuss the Coomalie Shire going forward. A verbal report will be provided to the Council.

#### Batchelor Tourism Reference Group

The Department of Business invited tourist operators and businesses dependent on Tourism to a meeting at the Rum Jungle Tavern on 16<sup>th</sup> June 2015. The meeting was attended by approximately 20 people representing tourist operators and businesses in the Batchelor area.

It is believed that the meeting was arranged in response to Council's letter to Tourism NT regarding the completion of sealing the Berry Springs to Litchfield National Park within 18 months.

A further meeting was held at Litchfield Tourist Park on Thursday 25<sup>th</sup> June 2015. The meeting appointed 2 sub committees. These were a signage sub- committee and an attractions sub- committee. The committees are to report back to the main committee in early August.

#### Staff Contracts and Salary System

There has been a large amount of work carried out on updating the existing staff contracts to bring them in line with WALGAs current contract template, removing most inconsistencies and resolving the removal of the district allowance. ### SUMMARY

The draft Annual Shire Plan including the Budget and Declaration of Rates were reviewed at the meeting of 16<sup>th</sup> June 2015. After minor changes Council directed the CEO to place the document on public display and invite comment from the community.

Council is required to consider any submissions, make changes to the Plan it believes appropriate and adopt the Plan, budget separately and formally Declare the Rates. One submission was received at the time of preparing the report. The submission was from the Department of Local Government suggesting that Council revise its comment on the "effectiveness of Constitutional Arrangements for Electoral representation of the Council's area." The section has been rewritten. There is no longer a requirement to reference the Regional Management Plan. This section has been deleted from the Strategic Plan and Annual Shire Plan.

Any submissions received prior to the meeting will be presented to the meeting.

The Department has advised that Council must formally adopt:

1. Budget with any amendments.
2. Shire Plan.
3. Rates Declaration.

Note:

Two additional submissions were received at the close of the invitation to comment period. These were passed onto Councillors prior to the meeting for review.

## 7.8 REQUEST TO ASSIST WITH CONSTRUCTION OF A HELIPAD

<b>Disclosure of Interest:</b>	Nil
<b>Date:</b>	16 <sup>th</sup> July, 2015
<b>Author:</b>	Leigh Ashford, Chief Executive Officer
<b>Attachments:</b>	Letter of Request Proposed location of the Helipad

### SUMMARY

Careflight Northern operations have written to Council requesting approval and support for a proposal to construct a Concrete Helipad in Adelaide River adjacent to the oval.

It is considered that Council should allow permission to construct the Helipad adjacent to the Adelaide River Oval at a location chosen by the Operations Manager.

It is further considered that Council provide a letter of support to the project and direct the CEO to authorise the Operations Manager to supervise the construction using volunteers or prisoner labour. Careflight are to provide the materials for the project.

### BACKGROUND

The Careflight helicopter became bogged at the Adelaide River oval during the last wet season. The aircraft weighs approximately 6.8tonnes and lands on wheels. The point loads are at least 3 or 4 times that of a motor vehicle.

### COMMENT

The construction of a helipad is not Council's core business but it will assist Adelaide River residents particularly during the wet season in the case of an emergency.

The Operations Manager and Care flight have determined a preferred site. The proposed site is immediately adjacent to the Adelaide River Oval. This site allows reasonable road access as well as giving pilots a clear site free of power lines.

## **SUMMARY**

Council has received another request to consider leasing a part of two undeveloped roads.

Council can consider a Substantial Temporary Road Closure after consultation with the Minister and the Local Member.

Council has considered a proposal to develop a policy to lease/ licence a road and an individual request from NTLC. It decided earlier in the year, not to proceed on either an overall policy or on the individual request.

Given the continual stream of requests it is considered that Council should resolve to clarify its position that it is not in favour of leasing any of its unmade roads and this will not be reviewed until 2019.

Alternatively Council may wish to consider this request.

## **BACKGROUND**

Council considered further Reports at its January 2015 meeting and the March 2015 meeting. It decided not to have a policy and that its decision would not be reviewed until 2019.

(2) The Council:

- (a) Must carefully consider written submissions made by the Minister (or the Minister's nominee) and the MLA in the course of the consultation; and
- (b) Must not proceed with the closure unless satisfied that the reason for the closure justify the disruption to traffic resulting in the closure;
- (3) However this regulation does not apply if;
  - (a) The road to be temporarily closed is a laneway; or
  - (b) The road closure is urgently necessary in the interests of safety.

THE NT Environment Centre made a presentation to Council at its May meeting.

Council requested the CEO to arrange a presentation from The Department of Mines and Energy. They agreed to make a presentation at 6.00pm.

**BACKGROUND**

This item has been held over from the April Council Meeting.

Cr Bulmer has requested Council have a Policy Position opposing the use of the Hydraulic Fracturing mining process throughout the Shire area.

**COMMENT**

I am advised that proponents of the “No Fracking” case are currently finalising a community survey of Batchelor following on from their Adelaide River Survey. It is expected that Council will be presented with the results of the survey. It is considered prudent to hold off on further discussing the issue until the survey has been presented to Council.
