**SUMMARY****Roads**

The Water, grade and roll has been completed on all unsealed roads except Heathers Lagoon Road, Cadogan Road, Echidna Road and Owen Lagoon road. This will occur in the next couple of weeks.

With the recent rain, it may be necessary to re-slash the road shoulders. required on some roads, spraying will continue on.

The weight restriction signs have now been removed from the Shire roads.

H & K Earthmoving Pty Ltd plan to start on the Cheeney Road sealing project this week. However this is dependent on the rain holding off.

**Waste**

Batchelor Dump has had a new slot dug, fill to be brought in soon.

Recently our recycling shed was broken into. Surveillance photographs from the cameras have been passed onto police.

Earlier in the month we had an incident where the backhoe caught on fire. We have received an initial damage report that suggests that dry leaves on the turbo could have been the source of the fire igniting when the machine was turned off. Further investigation will occur when all damaged parts in the engine bay are removed for further inspection. We have currently using the services of R S Gardening to push up the dump in the mean time.

Adelaide River dump is running well and all rubbish is being brought back to Batchelor. Fill has also been brought in. An available contractor in Adelaide River has been used to push up the large Rubbish items and the green waste.

## Parks

Bi-monthly mows are now in effect, when the rain has stopped irrigation will be turned on. Given the lateness of the rain it may be necessary to request an addition Cut prior to the next scheduled cut.

#### **SUMMARY**

##### **Batchelor Native Title Claim**

Council has received notification from the National Native Title Tribunal of an application to register an Indigenous Land Use Agreement (ILUA). The agreement was lodged on 30 April 2015. The parties to the Agreement are the Northern Territory Government, representatives of the Warai and Kungarakany groups and the Northern Lands Council. The agreement advises the parties consent to extinguish native title over township of Batchelor.

Council has now received notification that the ILUA was formally registered on 5 May 2016. It appears that Native Title over the Town of Batchelor has been extinguished. The only authority that can overturn the registration of the ILUA which extinguishes Native Title is the Federal Court of Australia.

## Batchelor Airport

Consultants are currently working on the preparation of the draft Master Plan. It has been circulated to the project committee for comment.

## Remote Sports Voucher Program

The CEO was invited to a meeting with Sport and Recreation Department representatives on 15 February 2016. At the meeting the CEO was advised that the NT Government Cabinet had removed the Remote Sports Voucher Grants program from the local schools and it had been given to Councils. The change was to be effective immediately.

Sport and Recreation representatives meet with the Batchelor Area School Council on 26<sup>th</sup> April 2016. Also included were representatives of the Adelaide River Primary School. The Department of Sport and Recreation advised that they had no objections to implementing the School Voucher program directly with the school as opposed to Council acting as an intermediary. I advised that Council had no objection to this arrangement as it appeared to have worked well in the past and Council is only likely to reflect the communities view.

Council staff met with both schools who were unaware of the changes. LGANT were also unaware of the changes. Council has only just now received a letter from the Department in relation to the Sports Voucher Program. Time constraint and Council agenda issues have not allowed the letter to be analysed.

## NT Special Purpose Grants

Three applications were submitted for grants under the NT Governments special Purpose Grant Program. The applications were for:

- |    |  |           |
|----|--|-----------|
| 1. | 5 open hook lift containers for the Batchelor and Adelaide River Tips. | \$114,650 |
| 2. | Keyless lock system for all Council locks                              | \$70,998  |
| 3. | Solar panels for the Administration building                           | \$35,953  |

Council has now received advice that its application to purchase 5 open hook lift containers was successful.

## **SUMMARY**

Council advertised on its Website, Face book Page, Stop Press and Notice boards throughout February and March inviting applications for community grants. Prior applicants were also contacted and invited to submit an application. The closing date was 25<sup>th</sup> March 2016

Only 3 applications were received by the closing time for community grant applications. The applications were from:

1. Lingalonga Festival \$2200.00 for Lingalonga Festival
2. Adelaide River Playgroup \$1100.00 for chairs and soft furnishings at Library
3. Adelaide River Library Mem Group \$869.00 for Modem and Wifi Access for 12 months
- 4.

Council decided at its April meeting to extend the grant application deadline until 10 May 2016.

Council received 2 additional applications by the extended closing time.

1. Batchelor Information centre \$1500.00 for Production of Information sheets and printer
2. Batchelor Museum Develop Assoc \$4000 for provision of security screens on Block A .

The total amount of applications is \$9669.00. Only the Adelaide River Playgroup provided a copy of the quotation.

## **BACKGROUND**

Council initiated Community Grants for the 2014/15 year. Grants were called for in February and March for grants in the 2016/17 financial year.

Grants are open to all incorporated and unincorporated groups. Private companies are not excluded from the grant process however receive a much lower priority. The Council considers each application on their merits based on consideration of the community benefit of each application. The maximum grant is \$5,000.

## **COMMENT**

Council has a policy to allocate \$1,000 to the Lingalonga Festival and \$1,000 to the Adelaide River Show Society on an annual basis. Lingalonga has submitted an application for \$2200 to assist in making up the shortfall from an unsuccessful grant application and will be used to partially offset the cost of the sound and lighting. Adelaide River Show Society did not make an application.

Council may wish to leave the budget allocation at \$8000 to allow for consideration of any late applications that may be received over the next year.

## SUMMARY

Council usually provides a display for the Adelaide River Show. It is an important Community event and Council has been supportive of the show. Last year the display was only held on the Saturday and generated very little interest.

## BACKGROUND

The Adelaide River Show Society will hold the Annual Show on Saturday 11<sup>th</sup> June and Sunday 12<sup>th</sup> June 2016. Council has traditionally had a display at the show.

## COMMENT

It is important that Council is seen to be supporting major local community events. Usually very few people will actually stop at the display, however the absence of representation at these events is noted adversely by some community members.

Council may wish to provide a static display only this year.

Council may wish to make comment to the Department of Planning and environment in relation to the application. Comments should be received by 18 March 2016.

Council dealt with this item as an out of session Report as the closing date for submissions was prior to the Council meeting. Council should confirm its decision.

**SUMMARY****Batchelor Swimming Pool & Coomalie Swim Group**

The Learn to swim classes are on Wednesday afternoons and numbers have recently been up and down. Gentle Water Exercise classes have been well attended with 4-8 participants weekly, with interest growing.

**Anzac Day 2016**

Generally the service went well, with a crowd of approximately 3000 attending. The CRO has received feedback from the RAAF as to how we could change the service for 2017 and also from the Office of Australian War Graves. These have been noted and will be taken into account for the 2017 dawn commemoration service.

**Jun-Jul 2016 School Holiday Program**

Planning is underway for the four week school holiday program. The CRO was successful in gaining a \$1700 grant from the NT Government for this program. This school holiday aims to teach young ones about other countries, where they are located, what their flag looks like, what foods they eat and what sports are played there. As part of this program they will recreate flags, make some national dishes and play different sports, all in readiness for the Olympic Games commencing in August.

**Territory Day – 1<sup>st</sup> July 2016**

Planning is underway for Territory Day event and fireworks. COTA will provide a sausage sizzle for the afternoon.
