OBJECTIVE

To provide guidance to the community and Council staff in relation to various matters related to roads. The NT Government is responsible for the provision of roads under its control. Other roads are the responsibility of Coomalie Community Government Council. This Policy addresses a range of matters not covered by the more specific policies, in particular weight limits.

POLICY STATEMENT

1. General

Council is responsible for the maintenance and upkeep of the road network for the full extent of road reserves (and Drainage Reserves) apart from the following roads:

- Batchelor Road
- Rum Jungle Road
- Litchfield Park Road
- Ringwood Road
- Marrakai Road
- Dorat Road
- Daly River Road
- Stuart Highway

Council will undertake activities, in accordance with various documents, such as;

- Slashing
- Weed Control
- Grading
- Rubbish removal
- Drainage repairs and upgrading
- Street lighting repairs and upgrading
- Bicycle paths and footpaths repairs and upgrading
- Issuing of Work Permits to third parties undertaking works within the road reserve
- Sealing of existing unsealed roads
- Resealing of existing sealed roads
- Issuing of weight permits

Maintenance

Council will determine road maintenance standards from Council's levels of service and measured using performance indicators.

A Maintenance Works Plan will be developed for routine maintenance activities to ensure the most efficient maintenance practice.

3. Weight Limits

Council implements weight restrictions of 20 tonne on Council owned sealed roads and 10 tonnes on unsealed roads between 1 October and 30 April, and can determine when to apply and remove the weight restrictions unless otherwise signed.

4. Road Hierarchy Plan

Council will update/review the Road Hierarchy Plan annually.

5. 10 Year Road Infrastructure Renewal and Maintenance Plan

In conjunction with the Finance Manager, to be reviewed annually to determine priorities for the future works program.

6. Fees and Charges

Cost of repairing damage to Council assets by third parties will be charged as per the current Council adopted Fees and Charges Schedule, at the discretion of the Chief Executive Officer.
