7.5 ANIMAL MANAGEMENT DIRECTIONS PLAN

Applicant:	Batchelor Community Submission – May 2013
Location/Address:	Batchelor
File Ref:	CC / 209
Disclosure of Interest:	Nil
Date:	8th July, 2013
Author:	Lee Farrell, Chief Executive Officer
Attachments:	Animal Management Directions Plan

SUMMARY

The May, 2013 meeting of Council received a submission from concerned residents regarding the need to discuss and develop a Coomalie Animal Management Plan (including cats).

BACKGROUND

The submission presented to Council requested Council to work towards the development of this plan with emphasis on the following;

- Resolving and improving the overall health and well-being of the animals in the community
- Educating community member's on better animal management and care
- Increasing animal registration
- Reducing excessive dog barking at night allowing community member better sleep
- Increasing the resources for more effective Animal Management and the monitoring of the community animal welfare.
- Reducing the risk of community member, student or tourist being menaced and injured by roaming dogs
- Providing bi-yearly Vet visits
- Encouraging owners to desex their animals
- Assisting community members to work with the dog catcher to trap and remove/dispose of feral and troublesome animals.

COMMENT

The management of Dogs (and cats) is limited by the equipment and time spent in the field. Currently the Dog officer spends 4 hours a week on Dog management which includes the feeding/watering of dogs on weekends. Council 2013/14 budget allows for additional equipment to be purchased, however any additional hours undertaking the functions contained within the management plan have not been included.

The Plan now needs to go out to the Community for comment and for submissions to be received prior to it being adopted by Council. The Plan should have a proviso that the Plan cannot be fully funded. I am investigating the possibility of a "special rate" being applied to the town sites of Batchelor and Adelaide to enable the plan to be fully implemented. No costings have been carried out at this stage.

The other discussion points at the meeting were as follows;

- Adelaide River town site – suggested the Town site boundary should remain as is.
- Batchelor town site – amend the town site boundary to include the new development. The inclusion of a clause to retain Batchelor as a “Village” may be difficult to apply and enforce. The Consultant will investigate.
- Native Title – Continue with the Planning proposals – The native title issues will be resolved in time.
- New Greater Darwin Regional plan is being developed and Council’s new plan will be incorporated into such.

3. Waste Disposal Sites – Batchelor and Adelaide River.

The response was No until native title is resolved. I have also sent the following email;
Since the June meeting I have made every endeavour to organise a meeting with the Minister for Lands but this has not been achieved. I believe we now just go straight to the Northern Land Council and request an immediate decision.

9. **Nomination to NT Grants Commission**

I refer to my email on 24 June 2013, regarding nominations for the NT Grants Commission.

LGANT Emailed as follows

"For your information, the Minister has requested 3 nominations by the end of July. LGANT has written to the Minister explaining its protocols - that it needs at least 2 months to call for nominations as some shires only meet bi-monthly and to give them time to respond appropriately to this call for nominations, it would be handled at the Executive meeting scheduled for 20 August 2013. There is a bit of pressure on LGANT to put forward three nominations by the end of July so the earlier you can get the nominations to me, the better, just in case we are requested to meet the deadline."

Please let me know if you need any more information

10. **Accounting Software Upgrade.**

- a. Melissa Kerr and I have viewed Software from Civica (Practical Plus and Authority) and discussed with CouncilBiz their proposal to manage our accounting system. All companies will be submitting proposals for consideration by Council.

11. Tree Survey – Batchelor and Adelaide River Town site.

- a. The issue of trees has gain surfaced following the tragic accident on 1st July, 2013. Council staff some 6 months ago marked numerous dead trees that are located within our park areas and on Crown and Museum Land. (Note: the 1st July tree was not marked by Council staff as it was not of concern.)
- b. Trimming of trees also needs to be undertaken on an annual basis to ensure it does not affect traffic on Council's town site streets.

I seek Council's direction as only \$5000 has been provided in our 2013/14 Budget to undertake any of the above work.

15. Dates to remember;

- 16th July, 2013 TOPROC Meeting
- NT Picnic Day – Adelaide River 5th August, 2013.

16. Tribute to Kylie Turner

The 1st July will be a date we will all remember as when one of the most tragic events that we could all experience – the news of the loss of Kylie Turner.

Kylie was one of those staff members that you would never forget, she had a bubbly personality, worked hard to ensure everything was done to a high standard, loved to laugh and enjoy everyone's company. Was conscientious and thoroughly enjoyed her role as Leading Hand for the Council. She was "everyone's go to person" – nothing was ever too much to do, whether it was working on a public holiday to clean up after an event, having the chairs and tables onsite and set up for all Council events, sitting on a mower, blowing down the Council car parks, cleaning out the sewerage pit, managing prisoners, bitumen patching, putting up signs, cooking at Council events, local schools or clubs – If the job had to be done, Kylie did it. We will miss that laugh, that offer to help, that team player approach, that never say no attitude. We look around now and it is us who have to do it or find someone else. God you took our best helper, mother and community member. Whatever you have in store for her she will be your number one.

Kylie – we all say thank you for being our friend and colleague – we love and miss you and will always remember you especially when the fireworks explode on 1st July and we look to the heavens to see your smiling face and listen for that cheeky laugh on firecracker night.

SUMMARY

Community Recreation Officer reports for the Ordinary General Meeting 17 July, 2013.

CRO Report for June/July 2013

Monthly Markets – Being held on 14th July, along with the Classic Holden Car Club coming to play cricket and also the little tackers playing some footy for an hour or two from 9am. Will be discussing with marketeers if they would like to have the usual Sunday monthly market on August 11th or come to the Lingalonga Festival on Sat 3rd instead. If really keen, we can do both.

Friday Night Fun – 12th July - a quick sausage sizzle and then trekking to Adelaide River for the Darwin Chorale performance. Next get together on 19th July or 9th August. We have been invited to attend Woolaning Homelands Christian College for a Friday night activity, which would be a good opportunity to strengthen our relationship with the College. Need to seek further sponsorship to continue to provide a bar-b-q for the local children. Any suggestions most welcome.

Lingalonga Festival and 60 years preparations - Weekly meetings and healthy attendance of committee members is ensuring that we have plans well in hand. Seeking volunteers to help monitor the giant sandpit, conduct surveys on Festival Day, general helpers and also a bus driver to pick up and return the Grey Panthers Dance Troupe on Saturday.

School Holiday Program – Progressing well with good attendance and adult volunteer helpers giving a hand. The program finishes on 19th July.

Seniors Month – Invitations were sent out on Thursday 11th July for two activities on 9th August and 21st August. First visit on 9th to the Darwin Museum and lunch at Cornucopia Restaurant. Second visit to Adelaide River ARSS Club for an early evening meal and live performance by 'Me and Me Mates'.
