SUMMARY

Operations Manager's report for the Ordinary General Meeting held 17th September, 2013.

Operations Manager Report – 11th September 2013

Roads:

Cheeney Roads floodway's seals have been done, the re sheet work is also completed, Coach Road re sheeting 1.3km has been finished also, 200m still to be done at the Adelaide River end and this will be done when the machinery gets back down that end.

Poet and Scott Roads still to do, will be done while the gear is at this end. Shoulder work on Miles Road will also be completed in this period of work. Water grade, roll will start when the rain starts.

Dumps:

Adelaide River dump is working well, and when I complete the Batchelor Transfer Station, Adelaide River's transfer station will be put in, I would like to wait until prisoners get back as I will need labour for this work.

Batchelor – the transfer station pad has gone in and the walls should be finished by the time you read this, the approach to the pad is ready for 150 compacted top to go on. Had to dig a new slot to get enough fill for job, would like councillors to have a look at this.

Toilets:

The town toilet block near Batchelor Tavern have been connected to the sewer main and seems to be working okay.

Adelaide River toilets will be closed the end of the month for repairs and upgrade if contractors are available.

Sprinklers:

Working on fixing the sprinkler system around oval so the grass will grow back.

Swimming Pool:

All the new electrical and safety work on the pump room has been completed and is running well, the pool toilets have had the new system installed, floors done and all is working okay. Still have to work out what we will do around the pool with what money is left, as the pebble create is too expensive.

Recycling Bins:

Lake Bennett which is working okay the others are still being used for anything that can fit into the holes.

Other:

Bruce Jones Centre: Upgrade subject to new Federal Government approving RDA funding.

New Leading hand, Michael Renshaw starts on Monday 16.9.13.

File Ref:	CC / 209
Disclosure of Interest:	Nil
Date:	20 th August, 2013
Author:	Lee Farrell, Chief Executive Officer
Attachments:	Animal Management Plan– DRAFT One Community Feedback

SUMMARY

The May, 2013 meeting Council received a submission from concerned residents regarding the need to discuss and develop a Coomalie Animal Management Plan (including cats).

BACKGROUND

The submission presented to Council requested Council to work towards the development of this plan with emphasis on the following;

- Resolving and improving the overall health and well-being of the animals in the community
- Educating community member's on better animal management and care
- Increasing animal registration
- Reducing excessive dog barking at night allowing community member better sleep
- Increasing the resources for more effective Animal Management and the monitoring of the community animal welfare.
- Reducing the risk of community member , student or tourist being menaced and injured by roaming dogs
- Providing bi-yearly Vet visits
- Encouraging owners to de-sex their animals
- Assisting community members to work with the dog catcher to trap and remove/dispose of feral and troublesome animals.

COMMENT

The management of Dogs (and cats) is limited by the equipment and time spent in the field. Currently the Dog officer spends 4 hours a week on Dog management which includes the feeding/watering of dogs on weekends. Council 2013/14 budget allows for additional equipment to be purchased, however any additional hours undertaking the functions contained within the management plan have not been included.

The Plan now needs to go out to the Community for comment and for submissions to be received prior to it being adopted by Council. The Plan should have a proviso that the Plan cannot be fully funded. I am investigating the possibility of a "special rate" being applied to the town sites of Batchelor and Adelaide to enable the plan to be fully implemented. No costing has been carried out at this stage.

SUMMARY

The following is the decision of Council from its May 2012 meeting.

Moved Clr. Turner, Seconded Clr. Crook that Boundary Consultation/Expansion be a standing item on the council agenda until resolved. Council supports making this a priority for council. Clr. Turner has undertaken to provide the initial structures for our decision making.

The following is the decision of Council from its July 2012 meeting

Moved Clr Gray, Seconded Clr Turner that Councils priority is for the CEO to initiate discussions with the various stakeholders and commence detailed research into the extension of our boundaries to develop (if possible) a sustainable Council that will provide the necessary service and capital expansion required for the total area serviced by the expanded Council. Once all negotiations have been completed with the relevant stakeholders, this proposal be then put out for Community consultation.

The following is the decision of Council from its August meeting 2012.

Moved Clr. Crook, Seconded: Clr. Turner that to progress the amalgamation question, the President Cr J Colver, Cr A Turner and the CEO meet with representatives of the Department of Local Government NT following the NT Elections on a date to be determined.

No action taken at November meeting 2012.

BACKGROUND

The Deloitte report has now been released and every Councillor has received a copy of this report. This report has been discussed by Council.

COMMENT

15/11/12 Invitation sent to the Minister for Local Government to attend the December meeting of Council.

4/12/12 Cr A Turner and the CEO met with Giovina D'Alessandro Director Local government and Community Services, John DeKoning Deputy Chief Executive, John Tobin Director – Shires Sustainability Project. The points of interest from the meeting were as follows;

- Local Government Department have not tested the water in respect to the amalgamation of Council's
- Local Government Advisory Board has been formed which is made of representatives from Local government and others. Coomalie Council is not represented.
- The Advisory Board will be reviewing the smaller Councils over the next 2 months.
- CCGC Requested financial assistance from the Dept. of Local Government to undertake an in house investigation into the possibilities of including the unincorporated land into the Coomalie Shire. The area did not include Dundee.
- Recommended that Council prepare a financial model for consideration by the Dept. of Local Government by the end of January 2013. The model to include the financial advantages and disadvantages of including unincorporated land into the Coomalie Shire. Dept. advised they will advise Council if funding is available.

14th December, 2012

Letter received from Minister for Local Government advising of the establishment of a Regional Governance Working Group to provide advice on the future of local government in the Northern Territory. Refer attached letter

20th December, 2012

CEO wrote to Minister for Local Government requesting the President of CCGC be invited to sit on the Local Government Advisory Board.

CEO applied for funding from Department of Local Government for a Special Purpose Grant of \$30,000.00 to assist the Council in undertaking financial modelling relating to viable boundary expansion options. Refer attached letter

13th February, 2013

Clr Turner and CEO met with the Minister for Local Government to discuss this issue. Report is as follows

Amalgamations

The Government's position in relation to Amalgamations, Unincorporated land and where you see the Coomalie Council position in relation to Government's policy.

ACTION:

Council seeks the Minister's comments and suggested action for Coomalie to remain a Shire in its own right. The Regional Governance Working Group has met on 4 occasions and a report will be released in the immediate future. Is Coomalie to be considered a Regional Council or a Shire? This decision is important in relation to Item 2 below and how the Coomalie Shire is to move forward. ***Minister's Comment: If Council can get the unincorporated landowners to agree to join Coomalie Shire he will sign off on those areas of land being incorporated into the Shire of Coomalie.***

8th March 2013

The Minister for Local Government has approved a SP Grant of \$10k to assist with financial modelling and review of boundary changes.

May 2013

Information on the number of lots, roads etc in the unincorporated land area has been requested from the Dept. of Local Government.

July 2013

Information on the number of lots in the unincorporated land area has not been received.

August 2013

Melissa Kerr will commence the preparation of costing and income in relation to the unincorporated land on Dorat Road as Proposal No 1 and the area of unincorporated land on the eastern side of Adelaide River as Proposal No 2.

September 2013

Land information received, no UCV's (Unimproved Capital Values) as land is unincorporated. Melissa will have to base exercise on another form of information.

SUMMARY

The following resolution was carried at the August meeting

RESOLUTION 20/08/2013/07

That Council authorise the following;

Hire of 8 skip bins from Fin Bins at \$144.80 each per month for recycling use for duration of one month.

The Wet hire of a tilt truck for the duration of one month to enable Council to transport skip bins from Adelaide River to Batchelor and recycled skip bins to Darwin.

Council give consideration to the purchase of this unit following the one month hire of the tilt truck. In addition Council will consider the cost and availability of used shipping containers.

BACKGROUND

Council staff has researched the above and the following discussions are agreements in principal have been reached

- Skip Bins – Will be ordered for delivery on 1st October, 2013 once the site has been better prepared.
- The wet hire of a tilt truck has been discussed with Glen Higgle and he has agreed to the following
 - Cartage of waste from Adelaide River to Batchelor. Hire charge is \$110 per hour (would take approx. 3 hours)
 - Load recycle bins and transport such to Darwin, unload recycle containers and return @\$3.00 kilometre.
 - Commence on 30th September, 2013 for a one month period.
 - Council to then give consideration to the purchase of this truck and tray as per his quotation.
- The purchase of the larger skip bins is currently with the Litchfield Council for a decision and price. This decision hopefully will be made at their September Council meeting.

COMMENT

The implementation of the above will allow Council and Council staff to analyse the operations and issues associated with the pickup, transport and dumping of rubbish utilising the above waste bins and truck.

COMMENT

24 Annual review of municipal or shire plan

(1) A council must adopt its municipal or shire plan (or revisions to its municipal or shire plan) between 1 April and 31 July in each year and forward a copy of the plan (or the revised plan) to the Agency by the latter date.

(2) Before the council adopts its municipal or shire plan (or revisions to its municipal or shire plan) for a particular year, the council must:

- (a) Prepare a draft of the plan (incorporating any proposed revisions); and
- (b) make the draft plan accessible on the council's website and make copies available for public inspection at the council's public offices; and
- (c) publish a notice on its website and in a newspaper circulating generally in the area inviting written submissions on the draft plan within a period (at least 21 days) from the date of the notice; and
- (d) Consider the submissions made in response to the invitation and make any revisions to the draft the council considers appropriate in the light of the submissions.

(3) Although the council's budget forms part of its municipal or shire plan, this section does not apply to the adoption of the budget or of amendments to it.

(4) The adoption of a budget, or of amendments to it, operates to amend the municipal or shire plan so that it conforms to the most recent text of the council's budget.

SUMMARY

The Council meeting held on 20th August, 2013 the following resolution was carried;

RESOLUTION 20/08/2013/019

That Council obtain quote from both WALGA / LGANT to undertake the recruitment process and assist with the appointment of a new CEO, which is to include a scope of the process required, the time required to complete this process, recommended remuneration to be paid to the CEO and that this information be submitted to the Councillors. Further, all Councillors receive a copy of the current CEO's contract of employment.

BACKGROUND

Prices were obtained from WALGA and LGANT to undertake the recruitment process for the replacement of the CEO. This information was collated and emailed to all Councillors' for their comments and response. Two responses were received requesting a Special meeting of Council be called. That week only 2 Councillors were available so following discussion with three Councillors it was agreed that advertising commence and information be sent to Litchfield Council re the sharing of their staff to act as CEO for 2/3 months. This will then enable Council to discuss all options at its Council meeting on 17th September, 2013.

COMMENT

The information letter has been sent to the CEO of Litchfield Council for discussion by his Council on 12th September, 2013.

CEO Activities Report 10th August, 2013 to 11th September, 2013

1. Town Planning Issues.

Councils Consultant Elton Consulting have provided the following update in relation to Councils Town Plan. I have also attached a copy of the scope of works for Councils information.

- a. Over the last couple of months we have been working on researching and updating the background information for the revision of the Coomalie Planning Concepts and Land Use Objectives document.
- b. After several meetings with the Department of Lands, Planning and the Environment (DLPE) and the Planning Commission, we have come to a joint understanding of the best way to proceed with planning for the Coomalie region. This process will involve collaboration between Elton Consulting and DLPE. DLPE will mainly be carrying out the mapping portion of the project, with Elton Consulting cross checking concepts with the Department's plans for the region as part of their development of the Greater Darwin Region Land Use Plan. It has been noted, however, with DLPE, that Elton's client is Coomalie Council, and as such, we will be representing to DLPE the concerns and desires of the local Council and community. Hopefully, all of these ideas will mesh together easily into one strategic direction, but Elton will uphold the community's objectives should there be a conflict of directions.
- c. For the most part, the scope within the attached document remains the same as our latest scope to you, in that it includes updating the planning principles for the whole of the Coomalie region, including providing background discussion where helpful, and the development of area plans and associated planning principles for Batchelor, Adelaide River and potentially the Lake Bennett area. We will also make recommendations on any further planning changes we see the need for as the plan develops.
- d. We are maintaining our focus on the community's desire to increase the industrial area around the airport and provide provision for development of smaller lots. We will also be exploring options with the Department for maintaining the heritage characteristics of the existing Batchelor town centre.
- e. At this time, the Department has expressed interest in having the Minister initiate any amendments to the NT Planning Scheme to formally adopt the recommendations that result from this planning process. That would potentially be of benefit to the Council, to go into an amendment process with government support.
- f. As we explained previously, the changes in scope may have the potential to impact upon the hours available in our original budget; however, we will carry the project forward as far as possible toward completion of works proposed.

2. Adelaide River WW2 Cemetery

A meeting with Mr Kel Pearce and Damian McKinnon from the Australian war Grave was held on 21st August. Cr M Corliss was also in attendance. The meeting discussed the following Issues;

- Cost of cleaning the toilets - suggested they would contribute with maintenance up to a maximum of 50%. Suggested Council contact the NT government to seek a contribution.

- Car Park – Will be completed by year end 2016 to coincide with the 100 year celebrations of WW1. The approx. sum to be contributed would be in the vicinity of \$350K. They will only contribute towards the cost of the Car park not the roads (i.e. in and out sections and shown on the draft plan.)
- Kiosk at Cemetery – the suggestion to have a Kiosk /Van at the cemetery with an annual lease charge was suggested as a means of reducing costs.

3. Rum Jungle Lake

- I have agreed for the Scout group to Camp at Rum Jungle Lake over the weekend of 21st – 22nd September, 2013.

4. Waste Disposal Sites – Batchelor and Adelaide River.

- Despite constant emails and discussions with Hon Gary Higgins the Native Title issues has not progressed.
- I have sent emails to the Northern land Council seeking an urgent meeting – still NO response.
- Have not heard the outcome of the 3rd September, 2013 meeting

5. RDAF – Meeting to fence the Snake Gully Creek Area

Despite constant emails and discussions with Hon Gary Higgins the Native Title issues has not progressed.

Will form part of the Northern land Council meeting if this can ever be arranged?

I met with RDAF staff in August, 2013 to show them the project. They were very excited of the potential of this venture.

A suggested site for the Tourist information bay in Adelaide River (adjacent to the Train) was also discussed and they felt that this would be a good location. They have also met with Trevor Horman to become better informed of the scope and history of the project.

6. Darwin Correctional Centre.

Meeting was held in the AR Part Time Office on Tuesday 10th September, 2013.

The suggested project list has been taken from the Minutes of the Public Meetings;

- Adelaide River Oval – levelling and sprinkler upgrade.
- Clean-up of Adelaide River town sites and entrances prior to the Darwin Bombing and Anzac day events.
- Recycling of cans, bottles, picking up of cans etc. from recycled areas.
- Works at Adelaide River show ground and race track.
- Mowing of Council areas not under contract.
- Working on Museum Projects – Adelaide River and Batchelor.
- Tree lopping and cutting off roots in ovals and Parks.
- Erection of white posts.
- Cleaning of culverts – rural roads.
- Cleaning of town streets and sumps.
- Mowing of pensioners lawns.
- Cleaning up vacant blocks.
- Clean up around Rubbish Tip sites.
- Assist in the development of Council waste sites.
- Keep Australia Beautiful Council town clean up.
- Paint and repair the old railway bridges in Adelaide River.
- Projects if approved: concrete footpaths in Adelaide River, Batchelor , Snake Creek Project
- Rum Jungle Bowling Club – assisting with sanding and levelling.
- Walking Track along railway line

7. Staff Changes

Interviews have been held for the position of leading hand. Mr Michael Renshaw has been appointed on a 3 months probationary period.

8. Accounting Software Upgrade.

- a. A submission under the SPG has been forwarded to the Dept. of Local Government seeking a financial contribution towards the cost of Council upgrading its Accounting Software to bring it into line with other NT Shires. Copy of the email submission is as follows;

Practical	13/14	14/15	15/16	Total NT Gov.
Initial License fee	\$30000		0	
Implementation fee	\$29790	\$29790 + Int	0	
Total Paid by NT Govt	\$59790	\$29790 + INT		\$89580
Annual Lic fee BY Coomalie Shire	\$25223	\$25223	\$25223	
Authority				
Initial License fee	\$28045		0

Total Paid by NT Govt	\$98995	\$70950		\$169945
Annual Lic fee BY Coomalie Shire	\$20550	\$20550	\$20550	

The following proposal is submitted for consideration based on the above figures

Practical Software

NT Government contribution: Total of \$89580 over the two years as stated above

Coomalie Council: Will pay the AL Fee every year.

Authority Software

NT Government contribution: Total of \$169,945 over the two years as stated above

Coomalie Council: Will pay the AL Fee every year.

I look forward to your favourable response to Councils request and advise that both Melissa Kerr and I are happy to meet with the Department of Local Government to discuss this proposition on a one to one basis. "

NOTE: This has been listed as Priority No 2 on Councils Grant application list

9. Tree Survey – Batchelor and Adelaide River Town site.

- a. Tree Survey – Dead trees that need to be removed have been assessed and this has been included in Council works program. Copy of this program has been sent to NT work safe. This work will be done by Council staff in the immediate future.

The value of this work will be in accordance the funds provided in our 2013/14 Budget.

10. Last bombing of Australia

- a. The last bombing of Australia took place on 12 November 1943 at Adelaide River. (70th Anniversary)
- b. Grant applications to the value of \$10K have been submitted for consideration by two different Government Departments.

11. Introduction of New Rubbish Charges

- a. The final two businesses have been visited and the new charges have been levied.
- b. A new waste charge information paper has also been sent out to those businesses, schools etc. Informing them on how our charges were assessed.

12. CEO Forum Meeting Darwin 30th August, 2013

The following matters were discussed at the forum

- a. **Local Government Structural Reform**

The following information was presented to the CEO forum meeting held in Darwin on 30th August, 2013 on Local Government Structural Reform.

Discussion

CEOs were told that the legislation document handed out only lists all amendments being proposed but it is not put in a way you can see where the changes apply. The issue was discussed with the following outcomes:

- the word “shire” will be retained but it also mentions “regional and municipal councils”
- municipal councils will not change but may set up local boards
- it will be mandatory for shires to have local authorities
- all shires, except Tiwi Islands Shire, could potentially be affected by changes in boundaries although this will not be fully known until financial sustainability assessments have been completed later this year
- there is mention of the unincorporated areas
- legislation has now been introduced
- a report on the financial sustainability assessments is expected in January 2014 (tentative) and the NT government will then decide on the next steps
- 1 July 2014 would be the obvious starting date for any changes
- councils need to work out how they will respond to the governance report that has been released
- discussions have commenced with most of the eight large shires and discussions will be held with all councils affected
- it seems highly unlikely that Jabiru will be taken out of the West Arnhem Shire
- there will obviously be some political play and some decisions will be based on this
- it is good that historical information on shires is included in the report
- shires need to look at the report and prepare for changes although the Chief Minister has said there will not be any changes unless the majority want it
- there has been discussions on which outstations will be included
- there are no changes to the inclusion of pastoralists being on local authorities
- there has been nothing further on the issue of conditional rating
- council core services were included in regional management plans which have now been abolished – these services will now be determined by gazette with little or no change to the current list
- shires will have to do some planning around the requirements for local authorities and maybe even give consideration for wider areas to be included
- there is lot of talk about the possibility of local authorities taking in ward boundaries and not just individual towns

CEOs were asked to submit information to LGANT for the drafting of a submission.

RESOLUTION

That the CEO Forum endorse councils providing LGANT with details of what they intend doing in response to this matter.

Carried

b. Street Lighting

A review of the proposed cost shifting of street lights is to be undertaken by LGANT with the assistance of the Dept. of Local government.

c. Proposed Legislative Amendments to do with Local Government

Outcomes from discussion include:

- Reduction in red tape for approvals for rating conditionally ratable land would be beneficial for councils. ALAC has written a letter to the Minister on this issue but has not received a reply yet. Essentially it is the same recommendation LGANT has been making all the way through which is seeking repeal to section 142.
- Clarification of the period of time that documents must be kept on websites looks like it will go through.
- a caretaker policy will now be legislated for
- ALAC is getting traction with formal recognition that local government rates are a tax
- ALAC is also seeking other amendments and suggestions can be sent to the LGANT CEO who will have it put on the ALAC agenda
- LGANT has also been making suggestions to the annotated version of the *Act* and received input from councils on section 103 (council approving workforce plans) recently
- electoral amendments have also been pursued through ALAC with the Electoral Commission – these will be addressed when the report comes out, which should be soon
- Changes to the *Electoral Act* need to be made within the next 12 months or we will miss the boat for the next local government elections in 2016.

13. Council Functions

- a. September 26th : TOPROC meeting 10am Coomalie Council (Council to provide Lunch)
- b. October 4th : Recognition of Local Achievements – Batchelor Council Chambers

14. Complaints Register

The Complaints register is attached for Councillors information. No complaints have been received since the August OGM.

15. The Final Word

- a. As this will be my final report for the Coomalie Council as I finish up on Friday 13th September, 2013 I would like to say thank you to Council and staff for the confidence shown in my 14 months with Council. I apologise for not completing the three years but things and circumstance change as you move on in life.
- b. The success stories are excellent and this would not have been achieved without the diligent of Councillors and staff and in particular the excellent work and commitment of staff to achieve the goals that were set. (Great team effort!!)
 - i. Councillor representation completed (9 to 6 councillors and 6 to 3 wards)
 - ii. The Review of all Councils operations completed – extensive savings were made. Council commenced year with a operating loss in 11/12 of \$676,431 to an operating surplus in 13/14 of \$130,838
 - iii. Long term Financial Asset and financial management plans put in place
 - iv. Strategic plan reviewed and implemented
 - v. Government Grants received for Bowling Club equipment, Council Footpaths , Playground equipment, Swimming Pool and Community events
 - vi. Community meetings held for Councillor representation, Prisoner camp and Financial management
 - vii. New Waste charges implemented and the upgrade of waste sites at Batchelor and Adelaide River and recycling projects commenced.
 - viii. 90 % of Council Policies reviewed and now in operation.
 - ix. NT Grant received for boundary extension and work will commence this month
 - x. 1.2km of Footpath laid and additional 500m will be finished in 13/14 financial year in Adelaide River.

- xi. Solid relationship established with the Darwin Correctional centre and projects have emanated from this association for the benefit of the Coomalie Community.
- xii. Engagement of Consultant to progress Councils Town Planning issues.
- xiii. Schedule of works prepared and implemented resulting in 90% of Councils road construction programmed completed by end of August.
- xiv. User Pays principal introduced for Rum jungle Bowling Club, Swimming Pool use by external sources and waste management.
- xv. Council functions to recognise community achievers, official opening of Bruce Jones Community centre and Adelaide river footpath and opening of New Bowling Green.
- xvi. Staff –
 - 1. Community: Mazz: excellent work in community and sporting events held within the Shire. 100% effort and results
 - 2. Finance: Melissa: Her development of Long term asset and financial management plans and everything in between now enables Council to make decisions with confidence – 100% effort with results.
 - 3. Governance: Jo provides the back drop to bring all the governance into line. Her review of Policies, management plans, occupational health & safety were just some of her achievements. Jo with the assistance of Stacey (who has now gone onto higher responsibilities) has provided an excellent administration team. This work is now carried on by Jazz and Marg. All 100% effort and results.
 - 4. External Staff: Robbie and his crew: have lifted the bar for achieving results and the team was achieving 110% results until the 1st July occurred. This provide a setback for all staff but the team commitment has enabled work programs to be completed early with Road programmes all but completed , Toilet upgrades done, vehicles purchased, swimming Pool equipment and services completed and waste site projects now under construction. Very commendable effort by Robbie, Billy, Middy, Kylie and Trevor.
 - 5. Library staff – do a wonderful job that provides an excellent community service. Well done to Prue, Nanette, Pam, Rex & Kathy.

To all concerned I say thank you and wish the entire team all the best for the future development of the Coomalie shire. The Coomalie “can do Attitude” by Councillors and staff has made being part of this team an excellent experience.

SUMMARY

Community Recreation Officer reports for the Ordinary General Meeting 17 September, 2013.

CRO Report August/September 2013

Friday Night Fun – Continuing on each fortnight with ongoing support from Noressa Bulsey and also Night Patrol. Parent attendance is very poor and I am now drafting up a roster, as more help is essential. There was an incident on 23rd August and a CCGC incident report was filed. The Police have a statement from several people, including the young girl who was hurt. I also filed a trespass order and this has been served. We have since held our regular Friday evening on 6th Sept and were supported by Police, Night Patrol and several parents. The 20th September will be supported by Fred Murphy from NT Govt Sport and Recreation. Fred will train up adults and kids in basketball rules and fun games. Fundraising at monthly markets is continuing to raise much needed funds.

Monthly Markets – Continuing to hold markets, finishing with Christmas market on 8th December. Combining Junior Footy and a Cricket match with each market to attract locals and entice more sports events on the Oval.

Lingalonga Festival and 60 years – See attached budget sheet. Still finalizing other budget reports.

Final Air Raid Event – Grants were submitted by CEO in first week of September. I will carry on with plans for the event, which will be held in Adelaide River on 12th November. Exciting developments are afoot for this event.

See attachment re NT Cricket establishing an annual regional cricket carnival at the Lingalonga Festival.

SUMMARY

Pool Supervisor report for the Ordinary General Meeting 17 September, 2013.

Pool Report September 2013

The Pool re-opened to the public on Saturday 7th September, after two months closure.

Work to clean the pool and the grounds took about two weeks, the water in the larger pool was a dark green colour and the water in the smaller pool had about 5cm of sediment and life covering the floor and sides.

The toilets have a new clean look due to being scrubbed and a clear sealant applied to the floor. New systems have also been installed in both female and male toilets.

SUMMARY

Animal Management Officer's report for the Ordinary General Meeting 17 September, 2013.

Animal Management Officer's Report September 2013

The roaming dogs around Batchelor have grown accustomed and weary of my vehicle and also of myself, they now flee as soon as they see me or my vehicle.

New dog catching equipment has been ordered and is on its way, which should allow for a lot of these roaming dogs to be captured and placed in the pound. The new equipment will be tested on the unregistered "puppy makers" which are central to the roaming dog problem in Batchelor.

I had one complaint about a dog chasing and biting children. I advised the owner that the dog cannot leave its property without a lead and that should there be another attack the dog will be seized.

SUMMARY

Batchelor Tourist Information Centre is a building owned by Coomalie Council, Litchfield Park information sheets were previously supplied to tourists at the Information Centre.

BACKGROUND

As per email correspondence from Clr Bulmer, dated Friday 13th September 2013 – 8:07am.

Batchelor Tourist Information Centre is a building owned by Coomalie Council. Volunteers do all the cleaning including cleaning of toilet, sweeping, mopping, and even striping and polishing of floor, Council used to supply tea, coffee, sugar, for the volunteers this did not happen this year although they did supply toilet paper for the Batchelor Tourist Information Centre.

There could be up to about 300 tourist traipsing through the centre in peak season so the volunteers save the council a great deal in cleaning charges etc, in the past council kindly copied information sheets that the volunteers hand out to tourists these sheets are very sort after by tourist, when council started charging NT Parks they paid the first month which was over \$700 as they were charged 25c a copy and it was July the busiest month Parks considered this an exorbitant amount and would not pay for any more to be done (the library only charges 10c a copy). The Tourist Information Centre has been without these vital information sheets since that time.
