SUMMARY**Roads-**

Work on Memorial Drive will be finished next week. All tests have come back okay and the sealing will commence Thursday.

Repairs to the Haynes Road flood damaged floodway have commenced. The work involves pavement stabilisation and bitumen sealing.

Water, grade, roll on Strickland, Haynes, Coach, Milton and Carr Road have been completed. Contractors will finish off the rest of roads as part of the program. This work will start next week.

Pot hole patching on Chinner Road has been done with the available material.

Negotiations are still continuing with the Northern Territory Land Corporation to release land back to the Council for road reserves in the North and West for the shire. It is proposed to have a report for the July Council meeting on progress to date.

The slashing and spraying program has finished for the season.

Waste-

The Batchelor landfill slot is filling up fast. The Adelaide River Landfill is currently okay. There is a lot of rubbish coming through at the moment.

Building-

The SPG grant program to upgrade and refurbish the Council Offices and machinery shed has been finished.

The Adelaide River toilets are being refurbished with the remaining money from the grant.

The Gates for the Batchelor Landfill shed are being fabricated.

Subdivision-

A permit for lot 525 Ringwood Rd to create 33 lots has been approved.

Irrigation-

Staff are currently repairing the irrigation systems. The systems around Batchelor are almost complete with the exception of Havlik Park. Most of the Adelaide River Oval sprinklers are not working correctly. This will be a priority in the near future.

SUMMARY

There have been a few notifications of barking dogs in both Batchelor and Adelaide River. Patrols have been increased, but our powers to enter a property and seize a dog are limited unless directed by the Police or the CEO.

One dog was impounded and destroyed as the owner did not want to pay the fines and fees in registration of the dog.

A visible trapping program in Kirra Stand Flynn St Batchelor has resulted in an improvement in owners' behaviour with gates being closed and dogs being tied up.

SUMMARY

The following is the decision of Council from its May 2012 meeting.

Moved Clr. Turner, Seconded Clr. Crook that Boundary Consultation/Expansion be a standing item on the Council Minutes until resolved. Council supports making this a priority for Council.

COMMENT

May 2014

The Department of Local Government has arranged for the Surveyor General to draw up and define the Additional land proposed to be incorporated into the Coomalie Community Government Council area. The first area to be included is the locality known as Robin Falls.

June 2014

The Minister for Local Government visited Council on Thursday 6 June 2014. He was particularly supportive of Council's proposal to include areas outside the current proposal into the Council area. These included Litchfield National Park, Douglas Daly Region and Mt Ringwood area and the Litchfield region to the west to the current boundary.

A meeting was held between The Department of Local Government representative, CEO from Belyuen Council and the president and CEO from Coomalie. The meeting was to initiate dialogue between the parties regarding possible incorporation of areas with the respective Council areas.

July 2014

A further meeting has been held with Belyuen Council regarding the future inclusion of unincorporated land within the Local Council areas. The second meeting was held at Belyuen and was attended by representatives of both Councils and the Department of Local Government.

The participants agreed to continue joint discussions. It was suggested that this should be through a Transition Committee set up and supported by the Minister for Local Government.

A notice was published in the Government Gazette on 3 July 2014 which includes the Robin Falls area in the Coomalie Community Government Council area.

August 2014

The property information for the Robin Falls area has been difficult to obtain. A direct approach was made to the Minister for Lands Planning and Environment. Initially the Department's computer system could not produce the appropriate report. The Department has now provided copies of the individual title searches of each property.

September 2014

Council received advice that the Minister for Local Government and Regions did not agree to the formation of a Transition Committee. David Tollner resigned his position as Minister for Local Government and Regions and the Chief Minister The Hon Adam Giles has taken on the responsibility.

The Shire President and the CEO met with The Department of Local Government Executive Director Mr David Willing and The Special Projects Manager, Mr Shaun Hardy on Wednesday 3 September 2014 to discuss the future expansion of the Council area.

Council sent letters of introduction to the 59 properties listed in Robin Falls with the information provided by the Department of Lands. 12 Letters have been returned as not known at the address provided.. Contacting the current owners has been the largest single issue coming out of the new area being included in the Council Boundary.

October 2014

Council staff have responded to letters of complaint from affected Robin Falls residents. The Department of Local Government have advised that any further work will be delayed until the appointment of a new Minister for Local Government.

November/ December 2014

A number of landowners in the Robin falls area have made complaints to the NT Ombudsman regarding the incorporation of the area into Coomalie Community Government Council area. The Ombudsman has requested information regarding the incorporation and this has been provided to the Ombudsman.

February 2015

Ombudsman has finalised responses of complaints against Council. It found Council does not have a case to answer in relation to the process to incorporate the Robin Falls area into the Council area. Following a Council reshuffled the Hon Bess Price has retained the portfolio of Local Government and Community Services. The Minister visited Council on Friday 27 February 2015.

March 2015

The Minister has advised that she is supportive of the previous Minister's position in relation to the incorporation of the unincorporated lands. The Minister stated she would consider a request for assistance to develop a consultation and communication strategy.

April 2015

A request has been sent to The Parks and Wildlife Commission to start discussions regarding the incorporation of the Litchfield National Park into Coomalie Shire's area.

June 2015

A meeting of the BCWLGAG was held at Belyuen on Tuesday 9 June 2015. It attended by Presidents/Managers of the three Councils along with the CEOs. The Department of Local Government had three representatives including the Director Mr David Willing. The main discussion revolved around the incorporation of the remaining unincorporated areas into Councils. The Department will be guided by the discussions within cabinet to be held at the end of June. The Department Director has agreed in principal to meet with the President and CEO after the Cabinet Meeting to discuss the Coomalie Shire going forward.

SUMMARY

SUMMARY

Batchelor Airstrip

The Department of Transport is currently working on a Scope of Works to develop a Master Plan for the Batchelor Airstrip. It is also investigating options for the management of the airstrip.

Prisoner Work Programs

The Department of Corrections has recommenced the Prisoner Work Programs and has assisted the Adelaide River Show Society prepare for the Adelaide River Races and Show. The Adelaide River Show Society have thanked the Department of Corrections for the excellent work carried out by the prisoners which would not have occurred otherwise.

Batchelor Native Title Claim

Council has received notification from the National Native Title Tribunal of an application to register an Indigenous Land Use Agreement (ILUA). The agreement was lodged on 30 April 2015. The parties to the Agreement are the Northern Territory Government, representatives of the Warai and Kungarakany groups and the Northern Lands Council. The agreement advises the parties consent to extinguish Native Title over the township of Batchelor.

Persons who claim to hold Native Title to any part of Batchelor have until the 10th September 2015 to appeal the proposed ILUA. If no objections are received, the ILUA is registered and Native Title is extinguished. If objections are received then the objections are considered on their merits. A representative of the National Native Title Tribunal has advised that the appeals usually take about 3 months to consider, but it depends on the complexity of the appeal and claim.

Adelaide River Show

The Adelaide River Show Society held the Annual Show on Saturday 6th June and Sunday 7th June 2015. Council had a display and information desk at the show for the Saturday. The stand was manned by the CEO with the assistance of Councillor Turner.

TOPROC Workshop

TOPROC held a Strategic Planning Workshop at The City of Darwin offices. The workshop follows on from the workshop held prior to the March Council Meeting. The General vision of TOPROC centred on two themes, "A collective voice on Top End issues" and "A collective forum to strengthen Local Government in the Top End".

The major issues identified for TOPROC to consider are Planning, Waste and Council Amalgamations. The consultants will use the information to prepare a draft report which should be available early August 2015.

7.9 REQUEST TO TEMPORARILY CLOSE PART OF OWEN LAGOON ROAD

Applicant:	Northern Territory Land Corporation
Location/Address:	N/A
File Ref:	CC / 19F
Disclosure of Interest:	Nil
Date:	11 th June 2015
Author:	Leigh Ashford, Chief Executive Officer
Attachments:	Map of proposed Temporary Road Closure.

SUMMARY

The Northern Territory Land Corporation (NTLC) has requested Council limit access to the eastern end of Owen Lagoon Road abutting their property. The road is a dead end road servicing nine parcels of land. The request only affects one landowner, NTLC, unless properties are sold or transferred.

Council can consider a Substantial Temporary Road Closure after consultation with the Minister and the Local Member.

This appears to be a reasonable request as it can only affect one landowner. Council could support the proposal in principal subject to NTLC agreeing to conditions that protect Council's interests. This could be simply by exchange of letters. Alternatively Council could reject the proposal.

BACKGROUND

Council at its November meeting requested that the CEO prepare a draft policy to lease unused Council roads. This followed a request from a local landowner to lease three roads within the Council area. Further reports were presented at the January 2015 meeting and the March 2015 meeting. It was decided not to have a policy and that its decision would not be reviewed until 2019.

NTLC initially requested that Owen Lagoon Road be closed permanently from the western boundary of Section 121 Hundred of Howard. Owen Lagoon Road, from this point is a dead end road and services nine land parcels. NTLC own all nine land parcels and it is understood they have leased them to three individuals.

The NTLC were advised that it is not in Council's interest to permanently close roads accessing individual land parcels as this alienates the parcels if the land ownership transfers in the future.

They have now requested that Council close the road temporarily in accordance with the Local Government Regulations.

They advise that they wish to gate the roadway and only provide access to the lease holders. They have also indicated that they would take responsibility for statutory fire breaks and weed control on the road reserve.

COMMENT

Council has decided not to have a policy on the lease of unused roads within the Shire boundaries due to the complex nature of the various land ownership abutting the road reserves.

This request from the NTLC is the simplest scenario as the current road only services the nine blocks and they are all owned by the NTLC. No other land owners are affected whilst the NTLC own all the land parcels.

The NTLC are prepared to take over control of weeds and ensure fire breaks comply with requirements. They have also advised that they will maintain the gate and fence across the road.

The Minister for Local Government and the Member for Daly must be consulted and comments considered prior to council considering a substantial temporary road closure.

If Council decided to support NTLC request in principal then Council needs to ensure that there are appropriate conditions in place to protect its interests.

These would be:

- NTLC to indemnify Council of any claim arising from the fence, gate and signage.
- Access is available to emergency services and Council.
- NTLC to provide and install signage indicating the road is closed to the public.
- Construction of the fence/gate barrier across the road is at no cost to Council.
- The fence, gate and signage to be maintained by NTLC to satisfaction of Council.
- NTLC to control all weeds and firebreaks to the satisfaction of Council and regulators.
- The Temporary Road closure is automatically revoked if NTLC sell or transfer any of the parcels of land affected by this proposal.

STATUTORY ENVIRONMENT

Local Government (Administration) Regulations- Reg20

Substantial Temporary Road Closure

(1). If a Council purposes to close a road temporarily but for a substantial period (at least 1 month), the Council must, before proceeding with its proposal, consult with the minister (or Minister's nominee) and the electoral division in which the road is situated.

(2) The Council:

(a) Must carefully consider written submissions made by the Minister (or the Minister's nominee) and the MLA in the course of the consultation; and

(b) Must not proceed with the closure unless satisfied that the reason for the closure justify the disruption to traffic resulting in the closure;

(3) However this regulation does not apply if;

(a) The road to be temporarily closed is a laneway; or

- (b) The road closure is urgently necessary in the interests of safety.

POLICY IMPLICATIONS

Nil

FINANCIAL IMPLICATIONS

There may be some road maintenance savings due to NTLC providing fire breaks and weed control.

SUMMARY

Aussie Hoops

The Aussie Hoops Basketball program at Adelaide River School is progressing well. Batchelor Area School has decided not to participate.

Coomalie Swim Group

The Coomalie Swim Group has gone into recession until September when the pool reopens and the weather warms up.

Batchelor Markets

The next Batchelor Markets will be held on Sunday 14th June 2015 at the Batchelor Oval. Two new stallholders have booked in to attend. I have mentioned to several community members that we are seeking a local volunteer who can take over the coordination of the local markets. COTA representatives met with the CRO to discuss a volunteer who is interested in coordinating the Markets in the future.

Basketball News

A senior mixed basketball competition began on 12th June 2015 in the Palmerston and Regional Basketball Association. We have a few players entered to play from Coomalie. The junior competition is set to start on 8th

August 2015 at the Bees Creek Primary School courts. It will be an 8 week competition, played on a Saturday morning. Coomalie will submit 4 teams thanks to a grant for \$3168.00 from the Minister for Sport and Recreation The Hon Gary Higgins MLA. The grant will pay the insurance and registration of 32 players. Following alternative arrangements being agreed with Mrs Ros Jones, the Community bus will be used in conjunction with the Adelaide River School Bus to transport the children to the competition each Saturday. A volunteer parent group is being coordinated to assist organise and supervise the children.

Local girl Cristie Anderson is preparing to depart on 17th June to travel to the US for a basketball and cultural exchange trip. The Minister for Indigenous Affairs, The Hon Senator Nigel Scullion has been involved with the passport applications for Cristie and also for another local boy who may be also be able to join the group at this late stage. The Minister's office has been relentless in their focus on trying to make the Passport process easier for these indigenous youngsters, to enable them to get to the USA.

Community Safety Action Meeting

The Batchelor police chaired a Community Safety Action Meeting on 7th May 2015 at the Council Chambers. It was agreed at the meeting that the CRO would investigate the possibility of a public information session being held focussing on awareness of *illicit drugs within our community*. The CRO has contacted a couple of Mental Health Service groups with regard to a future meeting.

School Holiday Program

The school Holiday program will be reduced from 4 weeks to 3 weeks during the forthcoming School holidays due to grant funds being reduced. The CRO is currently working on a suitable program for the 3 week period.

Territory Day Fireworks

The annual Territory Day fireworks will be held on the 1st July 2015 at the Batchelor Oval. The Batchelor Area School will coordinate food from 5pm and LingaLonga Festival Committee will sell drinks (soft drinks, water, tea, coffee and milkshakes). Pyrotechnicians will arrive around 2pm to set up. The Adelaide River FERG will be arranging the display at Adelaide River.

Grants

- Youth Vibe Holiday Grant for June/July holidays – submitted for \$1895 and received \$1500 so will therefore run over 3 weeks instead of four weeks.
- Festivals Australia Regional Grant and NT Arts Grant – Festivals Australia unsuccessful / NT Arts grant successful for Lingalonga \$7200.
- Seniors Month Grant – successful \$1380.
