SUMMARY

The following is the decision of Council from its May 2012 meeting.

Moved Clr. Turner, Seconded Clr. Crook that Boundary Consultation/Expansion be a standing item on the Council agenda until resolved. Council supports making this a priority for Council.

COMMENT

July 2014

The NT Government published a notice in the Government Gazette on 3 July 2014 which includes the Robin Falls area in the Coomalie Community Government Council area.

February 2015

The Ombudsman found that Council does not have a case to answer in relation to the process to incorporate the Robin Falls area into the Council area.

June 2015

A meeting of the BCWLGAG was held at Belyuen on Tuesday 9 June 2015. The main discussion revolved around the incorporation of the remaining unincorporated areas into Councils.

December 2015

The Department of Local Government provided a background briefing for Councillors on the remaining unincorporated areas. The Territorian published a brief article on the proposal on Sunday 6th December 2015 making comment about the proposal.

January 2016

Letter sent to Department of Local Government requesting Litchfield National Park be included in the Coomalie Community Government Council area.

February 2016

The Department of Local Government have advised that there will be no further decisions made in relation to formation of new Councils in this term of Government. The Department has acknowledged Council's request in relation to Litchfield National Park.

May 2016

A meeting was held of the BCWLGAG. There was a discussion regarding the three councils working together in developing a strategy to put to the Government in relation to their future and the unincorporated land.

June 2016

Department of Local Government and Community Services were advised of Council's agreement to investigate the formation of a regional council subject to Batchelor being the administrative centre.

July 2016

Three consultants were invited to quote on the scope of works to provide an analysis of options for local government structures in the area. Two quotes were received. An application was submitted for a Special purpose Grant to proceed with the consultancy.

August 2016

The Council received an email on Tuesday 9th of August from the Department of Local Government advising that the Special Purpose Grant to provide an analysis of options for Local Government structures in the area has been granted.

September 2016

Consultants have been engaged and anticipate the review will take approximately 6 weeks.

October 2016

The President and the CEO met with the consultant's representative on Monday 26th September 2016. The discussion revolved around Councils preferred options for a new Regional Council. The consultant was advised that council's preferred option was to progressively identify areas which relate to the current Council and incorporate them into the Council.

November 2016

The Consultants met with BCWLGAG on 9 November 2016 for an update and work shop. Council representatives presented varying views of the future and there was no consensus of a preferred direction for the future. The major points were that the consultants should focus on the current Council and perhaps comment on aligning the rural parts of Lichfield Council with any new entity. Marrakai area was excluded from the current discussion. The current Belyuen stalemate should be resolved by the next election. The Government needs to lead the process for incorporation of the unincorporated lands. The timeframe is probably 5 to 9 years.

December 2016

Council resolved the following in relation to the consultant's report

That Council formally adopt its position as outlined below:

- progressively improve Council's sustainability through efficiencies, resource sharing and continued review of service levels. This also includes seeking additional income sources when appropriate
- selective expansion of the Shire area to include areas which are naturally serviced by Council
- ensure Batchelor remains the centre of administration for the Council
- support NT Government initiatives that achieve the goals identified previously.

That Council advise that the Department of Housing and Community Development that it believes there will be little progress in the incorporation of unincorporated land unless there is long term commitment from the political arm of Government.

January 2017

Wagait Council has requested that Coomalie and Belyuen Council's give permission for the Consultant's report to be made available publically on Council's website.

February 2017

A meeting of the Councils and the Division of Local Government has been arranged for Monday 20th February 2017.

May 2017

The meeting discussed the merits of the report prepared by the consultants titled Working Together- A way forward.

The meeting agreed to receive and note the report, however they believe that the report did not adequately explore the options raised by the Councils and was basically a restatement of the options explored in 2011/12.

In particular, the meeting agreed the following points:

The report does not reflect the views of the three Councils combined, or any one of the three councils.

The report does not discuss the preferred options of the three councils.

The issues relating to the unincorporated lands remains with the Northern Territory Government and the land owners.

The three councils investigate opportunities to undertake planned sharing of services.

The three councils continue to work with the Northern Territory Government on constructive options to address the development of Local Government in the top end.

It was requested that the individual Councils discuss and agree on the 5 points outlined.

Resource Sharing

It was agreed that the CEOs would meet regularly to discuss and investigate resource sharing opportunities with the three councils. This will be separate to the BCWLGAG.

The group could also investigate opportunities to contract to the Northern Territory Government some services currently provided to the unincorporated areas.

It was suggested that initially the group should meet bi-monthly and the first meeting to be held at a suitable date in the first full week of March 2017.

July/August 2017

Executive Director Department of local Government – Lee Williams and Rolf Nilson met with the Council President and CEO to flag potential staged rural council expansion in the Top End. CEO was requested to develop concept and provide estimates if required, using work untaken in 2015. Two further meetings held by the CEO with Department staff to develop the concept and cost analysis.

September 2017

The President summarised for the new Council the reason for the standing order; Amalgamation review and current NT Government position with an expanded rural Council option.

October 2017

October 10th 2017 - Executive Director Department of local Government – Lee Williams and Rolf Nilsson special presentation to Councillors on the history of previous years' amalgamation proposals and potential for Coomalie, Litchfield National Park, Belyuen model to be considered.

October OGM confirms Coomalie Councils position via formal resolution and summarised by the following purpose statement.

"That the Coomalie Community Government Council confirms its commitment to

- 1. pursue the building of a stronger rural local government model in the region;*

and

- 2. to work cooperatively with Councils in developing options that allows for a stronger rural local government model to be established in the region; with the following process being put forward to the Belyuen Community Government Council for its consideration."*

November 2017

Council has been in discussion with Local Government Division regarding building capacity assistance to assist with expanding Local Government.

After the October meeting the CEO met with the CEO of Belyuen Council. Belyuen Council invited Coomalie Councillors to meet with their Councillors and have a tour of the important facilities of the Belyuen

Asset Condition assessment at both Councils would be a high priority.

Local Member for Daly, Mr Gary Higgins met at the Council on the 13th December 2017, with the President, CEO and Finance Manager to be informed on the current discussions with the Belyuen Council. In discussions Mr Higgins advised of his bipartisan support for the two Council's efforts.

January 2018

The combined working group met on 19th January 2018 at Belyuen. Asset condition review quotations being sought; work will commence on combined financial analysis in the next month; proposed that the two Councils endorse an invitation to the Minister for Housing and Community Services to attend a future combined working group meeting.

February 2018

The combined working group will meet with Belyuen on Friday 23rd February 2018.
Progress during January / February has been;

1. Letter of invitation to the Minister for Housing and Community Development (signed by both Presidents) to attend a future Combined Working Group meeting.
2. Various phone hook-ups have been undertaken with Bruce Lorimer, Core Concepts Pty Ltd and Ross Moody RVM management to develop a proposal for an Asset review/due diligence exercise with Coomalie and Belyuen assets. A proposal and letter has been forwarded to the CEO, Dept Housing and Community Development seeking consideration of the proposal that will allow for better information for both Councils on asset condition, information towards consultation on a potential proposal, and towards better asset management by a potential new council. (copy attached).
3. Council Finance Manager and Senior Accounts Officer visited Belyuen on the 13th February 2018. March 2018

Combined Working Group was cancelled due to impacts at Belyuen. This included the Minister for Housing and Community Development visit.

8. Peter Mclinden, Local Government Association of NT. (LGANT) workshop briefing date for session on roads and reserves.

I had made contact with Peter Mclinden, LGANT and had agreed for him to meet with Councillors for a roads briefing in relation to the requests for road closure on Solomon Road West and Otto Lagoons Road. A late commitment of Peter's with another Council will not allow him to be able to meet for the workshop prior to the Council meeting.

At the time of writing this report, Peter will get back to me later this week with an alternate date and time as soon as possible so this matter can be progressed. Peter will also address the councillors on other regional activities that he is involved with from LGANT perspective.

RECOMMENDATION

That Council receives and notes the CEO's Activity Report for the period April/May 2018.

Active Family Fun Day

On April the 11th of April Coomalie Council had Royal Lifesaving come down to the Batchelor Pool for the Active Family Fun Day, this was to congratulate the children graduating to the next swimming level. This event was open to the public and we had 56 children attend the active family fun day. We all finished up by having a sausage sizzle for dinner.
