**SUMMARY**

The following is the decision of Council from its May 2012 meeting.

*Moved Clr. Turner, Seconded Clr. Crook that Boundary Consultation/Expansion be a standing item on the Council agenda until resolved. Council supports making this a priority for Council.*

**COMMENT****January / February 2019**

Ministerial briefing draft completed and forwarded to Belyuen Council for their consideration Jan/Feb. Combined Working Group meeting will be convened when Belyuen endorses /amend brief.

Next step would be Departmental briefing and feedback, submission to Minister for NT Government assessment. Public consultation would occur after NT Government position is known.

### **March 2019**

Combined Working Group meeting held on March 6<sup>th</sup> in Batchelor to finalise the Ministerial Brief in relation to the proposal merger. A briefing on the document with the Executive Director, Department of Local Government Housing and Community Development and four department staff occurred on April 2<sup>nd</sup>, 2019. The CEO, Belyuen Council, CEO and Finance Manager represented the two Councils. Work on a review document from the meeting will be worked on between the CEO's and Department to bring back to the Combined Working Group.

### **April 2019**

Belyuen CEO, Coomalie CEO and Finance Manager did on the 2<sup>nd</sup> April brief the Department of LGHCD including Executive Director, Local Government Division on the Combined Working Group Ministerial Briefing Document. Key Department / Council Staff to meet on May 21<sup>st</sup> to further refine the document.

### **May 2019**

Coomalie CEO and Finance Manager did meet on May 21<sup>st</sup> with Jocelyn Nathaniel-Walters and Bilal Abbas, Department of Local Government Housing and Community Development in relation to inclusion of consolidated financial statements for 2017/2018 for Belyuen and Coomalie that can be included in the briefing document.

### **June 2019**

Council awaiting finalisation of the consolidated financial information by the Department and provided direction to the CEO to communicate with the Department of Local Government Housing and Community Development to finalise the briefing document and arrange a briefing with the Minister in the next month.

### **July 5<sup>th</sup>, 2019**

Department Officer called briefing of Coomalie Councillors - President requested meeting with the Minister.

### **August 2019**

As stated in meetings area, an informal gathering/briefing of Councillors was convened by the Department of Local Government Housing and Community Development. This did occur on the 5<sup>th</sup> July 2019 and only involved Coomalie Council at the Departments request. The meeting was centred around work undertaken between the Finance Manager Coomalie and the Department in relation to the consolidated financial information pertaining to the proposal and veracity of some of the line items in the consolidated information.

This followed up on the agreed Councils and Department staff briefing on the adopted Ministerial Brief from the Combined Working Group. The April 2<sup>nd</sup> meeting read through the document and went through the document line by line in relation to Governance and Organisational Structure as well as Establishment costings etc and ongoing financial support needed.

Whilst the briefing did not constitute a formal Council meeting, the President requested that he thought it necessary that it was vital that a briefing on progress to the Minister be afforded to Council due to the length in time of the process. The President requested a meeting with the Minister be arranged through the Department with a preference for the meeting to be held at Batchelor.

The briefing with the Minister is scheduled for Monday 12<sup>th</sup> August at 3pm at Parliament House Darwin. The President also requested that Cathy Winsely CEO being invited to attend as Coomalie and Belyuen have been partners since December 2017 in the development of the merger proposal and it is important that both Councils are in attendance together with the Minister.

The Briefing submitted is that document adopted by the Combined Working Group on March 6<sup>th</sup>, 2019 with later amendments to the format of financial information between Capital and Operating costs that is more in line with NT requirements.

Briefing with Minister conducted, and Minister could not confirm commitment at this point and would provide an informed reply to the Council.

## **2. Belyuen Coomalie Combined Working Group – Merger proposal.**

The Councils met with the Minister for Local Government, Housing and Community Development on the 12<sup>th</sup> August at Parliament House.

Coomalie Council did at the request of the Council receive on the 30<sup>th</sup> August 2019 the Minister for Local Government, Housing and Community Development at Batchelor for a 2.5 hour discussion on general matters from Chin subdivision, fragmented roads and other legacy issues since before the formation of Coomalie Council in 1991, Northern Road Corridor and alternate route to Stuart Highway and being arterial road corridor to Cox Peninsula.

Merger was again discussed and would appear the proposal is not yet viewed as an urgent investment in the Local Government framework and in commencing the process towards a large more sustainable Local Government model in the North West Top End.

Both Councils will await the reply from the Minister arising from the Parliament House briefing by Coomalie and Belyuen.

I believe that it may be prudent to schedule a Combined Working Group meeting to review formally the meeting with the Minister and options moving forward for the two Councils. Belyuen CEO has advised me of her strong support for this meeting to occur is willing to travel with her Councillors to Batchelor for the meeting. Cathy Winsely has said that Friday 4<sup>th</sup> October would suit the work commitments of her Councillors.

## **3. Staff**

There will be a number of staff movements in the next month due to completion of relief contracts and annual leave and staff returning from parenting leave.

The Relief Senior Administration Officer (Jasmine Douglas), will complete her in attendance duties on the 12<sup>th</sup> September 2019. I have appointed on interim higher duties the Reception/Records Management Officer (Hilary Brett) from 1<sup>st</sup> October to fulfil the pressing governance and HR work within the newly created Corporate Services Officer role for the month of October. This allows for some time to formalise in conjunction with other staff movement the requirements for that position. I will also need to assist Hilary in the reception role with casual backup where possible and also Adelaide River library as work demands require during October.

The Relief Community Recreation officer (Stacie Selwood) finishes her role on the 8<sup>th</sup> November and the incumbent CRO (Shona Meggs) returns on the 18<sup>th</sup> November.

The new 2-day Compliance and Risk Officer will commence with the return of Aleyshia Kim on the 3<sup>rd</sup> October 2019 in this part time position.

The relief Operation Supervisor (Candice Rowlands) concludes her role on the 23<sup>rd</sup> September, with the return and handover to occur with the incumbent Operations Supervisor (Emma Dunne).

Whilst it has not been a perfectly stable operation with the number of relief positions in our small organisation, I wish to advise Council that the three-relief staff have all quickly learned their roles and undertaken their work in each job to a high standard. I am appreciative of their attitude, commitment and efforts.

A number of staff are also away on annual leave during September which means it will be busy for the Senior Accounts Officer/Accounts Officer (Stacey Shooter) and the CEO.

#### **4. Rum Jungle Lake capping/maintenance work**

The Lake remains open to the public at this stage until the Department of Primary Industries and Resources advises of a scheduled start date where the site will need to be closed and secured until Christmas due to it being essentially a construction site.

#### **5. Council meetings October – January – availability of members**

In scheduling the meetings ahead for the remainder of the year could Councillors advise of their availability for the October, November and December and January meetings.

#### **6. Attendance by Finance Manager at the meeting**

The Finance Manager will be in attendance at the start of the meeting and would necessitate bringing those items forward in the agenda for consideration.

Paul McInerney, Chief Executive Officer

#### **RECOMMENDATION**

That Council receives and notes the CEO's Activity Report for the period August / September 2019.

**Moved:** Clr.

**Seconded:** Clr.

**SUMMARY**

A letter has been received from a Robin Falls area resident concerning the management of Robin Falls from a Tourism and environmental perspective. The letter is seeking Council involvement through applications for funding for improved management initially with better toilet facilities.

Robin Falls is a privately-owned property and Council I do not believe had had any previous involvement.

The property is adjacent an NT Government road (Dorat Road).

## **BACKGROUND**

*"Dear Paul,*

*Following our conversation, a couple of days ago, I'm writing regarding my concern for ongoing environmental management and maintenance of Robin Falls and believe there is great need for toilet facilities, among other things.*

*I am a local Robin Falls resident who often visits the falls and have seen heavy use by campers and day trippers and increased environmental pressure on the riparian system around Robin Falls. Unfortunately, I have witnessed ongoing environmental degradation every time I stop by (every few weeks).*

*My concerns include:*

- *large amounts of human waste and lack of toilet facilities*
- *increased spread of weeds*
- *encroachment and spread of campers into riparian zone bushland*
- *excessive waste- more waste than the bins can handle*
- *lack of signage - how to respectfully enjoy Robin Falls*
- *lack of fire management*
- *destruction of habitat by feral pigs*

*I understand that Robin Falls is privately owned via Crown Lease by Sydney resident, Dr John Cooper, and that the DPLI have provided and manage the bins at Robin Falls and other locations along Dorat Road. I have written to DPLI inquiring about the management arrangements between NTG and John Cooper regarding Robin Falls.*

*The **Communities Environment Program** is now open to expressions of interest (EOI) from local environment groups across the federal Lingiari electorate. The Program aims to provide groups in need of funds to make an important environmental project happen, and deliverer social benefits to the wider community. Applications close September 16th, 2019 with works to be completed by December 2020 and can be granted to representative bodies such as councils.*

*I would like to explore opportunities to apply for funding with Coomalie Council with an aim to improve the much-needed health and management of Robin Falls area by providing compost toilets at Robin Falls.*

*The Department of Land Planning and Infrastructure is communicating with the lease holder, Dr John Cooper about management arrangements between DLPI and Dr John Cooper, and his interest in the installation of compost toilet facilities.*

*I believe there is a great need and opportunity now for community and local and Territory governments to work together to keep these places healthy, well managed and accessible into the future.*

*I look forward to hearing from you soon.*

*Kind regards, Jacqui Taylor"*

<b>Attachment:</b>	RV Friendly Town Program and Assessment Form

**SUMMARY**

Litchfield Regional Tourism Inc is requesting Council consideration of Batchelor and Adelaide River being classified as RV Friendly Towns and which would be assessed by the Campervan & Motorhome Club of Australia (CCMA).

The Council has for a number of years had Dump Points in Batchelor and Adelaide River.

The Criteria and requirements are in the attachments.

**BACKGROUND**

Good evening Paul

Currently, there are no accredited RV parks in the NT and as a key tourism region it makes sense for Coomalie to put the 'welcome' mat out for this specific sector.

As discussed earlier today, on behalf of the the LRTI, please find attached information re: "RV Friendly Town" criteria and associated assessment form for Council's review and hopefully, acknowledgement by means of submitting an application to become a recognised 'RV Friendly Town' .

There is no cost - just the need to complete an application form which is reviewed by the Campervan & Motorhome Club of Australia (CMCA) who will advise of acceptability (or not).

My understanding is that both Adelaide River and Batchelor meet CMCA's requirements and already cater for a significant number of RV travellers.

We look forward to Council's decision in due course.

Thanks and kind regards,

Deborah Moyle,

The Contract with Shannon Recycling and Landcare and Coomalie Council expires on the 30<sup>th</sup> September 2019.

With the current ongoing matters of waste management at Adelaide River Waste Transfer Station and potential impacts on waste management and operation at Council including Batchelor the contract should continue as a monthly rolling contract pending outcomes with waste management generally through the first half of 2020. This also will allow for waste management proposals that will be considered by Big Rivers Waste Management Group that may have an impact on our waste management operations.
