COMMENT

During the reporting period, considerable activity focused on arrangements for the forthcoming local government elections. Consultation with NTEC continued regarding polling options for election day and early polling. An awareness and promotion campaign was also developed to ensure all electors are aware of voting arrangements, candidate choices, and opportunities to contact candidates. Whilst NTEC is the responsible agency, as electors were looking to Council for information, measures were implemented to ensure electors knew where to access relevant information.

Planning also continued to ensure appropriate levels of compliance with the new *Local Government Act 2019*. This work will continue for the remainder of the year. Agency staff have advised the local government sector that compliance audits will not be conducted during the first twelve months in acknowledgement of time required to ensure relevant policies., registers and procedures are developed and in place.

The reporting period also included planning and participation for various recruitment actions. Council's Regulatory and Works Supervisor tendered his resignation during the month and recruitment action commenced to replace the role. In addition, recruitment action took place for Council's Waste Facility Attendants. New staff members will commence the week beginning Monday 16th August 2021. Seniors Month – a Personal Protection workshop was held on the 4th August 2021 with 7 attendees at the program. Those in attendance were provided with information on the services of Neighbourhood Watch NT and Victims of Crime NT. They were then fortunate enough to be instructed in some techniques on how to protect themselves, and as a last resort defend themselves in the event of a home invasion or confrontation.

Territory Day 2021 has been postponed to Sunday 29th August 2021.

A Territory Day Grant has been secured for the event and will cover the costs of hire of some family entertainment equipment for the afternoon.

Regarding Adelaide River's function, the Adelaide River Show Society are planning on holding an event, however, they need to find someone that has the shot fire licence to be able to run the event. At last update they have not found a suitably qualified person.

Pool Safety Audit Outcomes

Regarding Council's decision at its February meeting, Council Officers have made headway regarding making the facility compliant with current industry guidelines.

Replacement for damaged in transit Spinal rescue equipment was delivered and has been installed at the pool for use by qualified staff.

Pool signage for depth and gradient changes within and around the pool was installed during the pool closure period.

The only item outstanding is staff training for upskilling. The current Pool Supervisor is to be enrolled in the first public course in October 2021 once paperwork has been returned.

Pool Grants – Access Lift

This project has progressed with the Pool Hoist having been installed on 26th July 2021 (see photo below). Council officers have also removed a section of the blue wall that surrounds the pool to enable easier all abilities and supported access. The now visible internals of the wall need to be rendered to improve its appearance.

Concreting works have also been undertaken to provide easier access for our older community members, those living with a disability, or those patrons that require mobility assistance.

Swimming Lessons

Promotional material is currently being created both by RLSSA – NT and Council officers for this activity to commence, with a launch date of 02/08/2021 with first lessons hoping to commence by 19/08/2021.

PURPOSE

BACKGROUND AND PREVIOUS DECISIONS

COMMENT

Councils 6 Library Officers have continued to provide a safe and entertaining library space to the community via the Adelaide River and Batchelor Libraries.

We are still awaiting the BIITE recruitment of a Library Manager at the Batchelor Library. We look forward to an eventual appointment providing Council with a person to liase and grow the Library service with.

Council's Chief Executive Officer, Senior Administration Officer, Community Recreation Development Officer, and 6 Library Officers met on Monday 9th August 2021 where a productive Team meeting was held. It was a great opportunity for the team to meet face to face for some brainstorming and bonding. 11. MONTHLY FINANCIAL REPORTS TO COUNCIL

11.1 FINANCE AND GRANT REPORT

Date: 11th August 2021

Author: Melissa Kerr, Finance Manager

Attachments: Nil

PURPOSE

The purpose of this report is to provide a summary of the financial position of Council for the period ending 31 July 2021. As per the requirements of the *Local Government (General) Regulations 2021*, there is a comparison of income and expenditure against respective budgets and variances, balance sheet and statement of cashflows. There are also details of cash and investments, grants, aged receivables, rate arrears and aged payables for Council's information.

BACKGROUND AND PREVIOUS DECISIONS

The monthly financial report Profit and Loss compares the actual income and expenditure to budget at two levels, firstly for the month to date (YTD), and secondly for the full year budget. Comparatives to full year are relevant if the income or expenditure is linear, otherwise the YTD budget comparison provides a clearer position.

Ideally the budget is accurately phased so that the amount allocated each month will match the pattern of income and expenditure earned.

COMMENT

Council received a prepayment of \$285k Federal Assistance grant (FAG) 21/22, over half of our annual allocation, and an early payment in July of the Operational Subsidy (NTOS) of \$318k, again over half our annual allocation. Unexpended grants of \$255k have been carried over for Waste and Resource Management (WaRM), Priority Infrastructure Fund (PIF) and Local Roads Community Infrastructure Program (LRCIP) projects. This has resulted in over \$1m in revenue in July compared to \$320k budgeted.

Depreciation has not been run for July yet as waiting on confirmation of fixed assets from the auditor. Employee payroll and other costs are \$48k below budget as Council has not paid workers compensation insurance renewal yet. Roadworks is \$53k under expended compared to the budget due to roadworks commencing late in July. \$100k will be carried over to the 2021/22 budget for flood damage repairs to Coach Rd. Expenditure for the Priority Infrastructure Fund (PIF) risk reduction grant remains in work in progress at \$25k.

The final audit was conducted remotely by Nexia Edwards Marshall from 26-28th July 2021 and is still ongoing, nearing completion. Financial statements are being prepared for the auditor to audit.

Rate arrears is \$244k at the end of July, with 15 ratepayers who own 39 properties making up \$215k of that balance. This means 82% of our rate arrears is from about 1% of our ratepayers. The majority of ratepayers are up to date, on payment plans or in credit with their rates.
