Roads-

Contractor repairing shoulder and wash out on Coach Road, Milton Road and Cheeney Road. Chinner Road potholes will be repaired this week.

Signs have arrived for Lake Bennett and installation will commence next week. Slashing and spraying is ongoing and first round nearly finished.

Tenders still to be called for reseal on Miles, Meneling and Mardango Roads.

Waste-

Batchelor Dump

A lot of green waste coming in, tyres, building material and white goods still a problem.

Adelaide River Dump

Most waste is being put in right place, green waste still has extra in it and this will be a problem till we man the dump. Tyres and white good a problem. m3 of domestic waste is still around the 30m3 per week.

We brought in approx 400m3 of fill that will keep us going for the next 4-6 weeks. Contractor working okay to cover landfill as soon as general waste has been dumped.

Parks- Batchelor and Adelaide River

Usual palm frond pick up and tidying up, few extra branches down with the rain.

Trees- Contractor has removed the fallen tree out the front of Bushfires.

Contractor services will be engaged in the coming months for tree removal and maintenance work.

Mowing- Mowing by the contractor in Adelaide River and Batchelor is now Bi-monthly.

SUMMARY

The following is the decision of Council from its May 2012 meeting.

Moved Clr. Turner, Seconded Clr. Crook that Boundary Consultation/Expansion be a standing item on the Council agenda until resolved. Council supports making this a priority for Council.

COMMENT**January / February 2019**

Ministerial briefing draft completed and forwarded to Belyuen Council for their consideration Jan/Feb. Combined Working Group meeting will be convened when Belyuen endorses /amend brief.

Next step would be Departmental briefing and feedback, submission to Minister for NT Government assessment. Public consultation would occur after NT Government position is known.

March 2019

Combined Working Group meeting held on March 6th in Batchelor to finalise the Ministerial Brief in relation to the proposal merger. A briefing on the document with the Executive Director, Department of Local Government Housing and Community Development and four department staff occurred on April 2nd, 2019. The CEO, Belyuen Council, CEO and Finance Manager represented the two Councils. Work on a review document from the meeting will be worked on between the CEO's and Department to bring back to the Combined Working Group.

April 2019

Belyuen CEO, Coomalie CEO and Finance Manager did on the 2nd April brief the Department of LGHCD including Executive Director, Local Government Division on the Combined Working Group Ministerial Briefing Document. Key Department / Council Staff to meet on May 21st to further refine the document.

May 2019

Coomalie CEO and Finance Manager did meet on May 21st with Jocelyn Nathaniel-Walters and Bilal Abbas, Department of Local Government Housing and Community Development in relation to inclusion of consolidated financial statements for 2017/2018 for Belyuen and Coomalie that can be included in the briefing document.

June 2019

Council awaiting finalisation of the consolidated financial information by the Department and provided direction to the CEO to communicate with the Department of Local Government Housing and Community Development to finalise the briefing document and arrange a briefing with the Minister in the next month.

July 5th, 2019

Department Officer called briefing of Coomalie Councillors - President requested meeting with the Minister.

August 12th, 2019

Coomalie and Belyuen Council meet with Minister for Local Government Housing and Community Development for discussion/opinion on the proposed draft merger proposal. Minister advise he will consider and forward a reply in due course.

August 30th, 2019

At Councils invitation Minister visits Councillors at Batchelor on 30th August for general visit and discussion on range of issues from legacy matters/problems since 1991 incorporation of Council and merger proposal again discussed.

16th September 2019

Council receives letter from Minister and tabled as late item at September OGM that outlines further work required at Belyuen with Department in relation to financial information to inform the proposal, and seeking clarity that a proposal should clearly define the resources within the proposal for the merger of Coomalie and Belyuen and separate to that of resources for a larger expanded model. Encourages Council to still work together and with the Department in developing final proposal.

15th October 2019

Ministers letter to be re tabled to allow for position of Coomalie Council within the proposal to be established in context of the Ministers advice.

November 2019

Belyuen Council requested a meeting with Coomalie on 1st November 2019 but had to cancel at late notice. Is expected joint informal meeting will take place before Christmas.

SUMMARY**CEO Activities Report February meeting 2020**

3rd February

Anna Malgorzewicz, Chief Executive Officer commenced in the role on Monday 3rd February 2020. The week was dedicated to meeting with staff, touring the Shire, visiting Council assets and familiarisation with Council procedures, processes and practice.

Of particular interest were the two waste management facilities, swimming pool, and dog management assets and procedures. New road assets and drainage issues were also inspected.

6th February 2020

Attended the LGANT Workshop on the *Local Government Act 2019*. The workshop explored transitional arrangements and new policy considerations that all councils will be required to address prior to July 2020. Matters relating to code of conduct, legal obligations, particularly regarding work health and safety and fraud and corruption protection, were a focus, and new stringent requirements for elected members and candidates regarding reporting and disclosure requirements were examined. A further report will be provided to Council at its March 2020 meeting.

10th February 2020

Meeting with Adelaide River Councillors to discuss priorities.

11th February 2020

Meeting with representatives from the CW Department of Industry, Innovation and Science and the NT Department of Primary Industry and Resources regarding the Rum Jungle Rehabilitation Project.

7.6 PROPOSAL RE: YOUTH CENTRE

Applicant: N/A

Location/Address: N/A

File Ref:

Disclosure of Interest: Nil

Date: 18th February 2020

Author: Anna Malgorzewicz Chief Executive Officer

Attachment: Nil

SUMMARY

Dr Jan Hills approached Council in January 2020 regarding a request to present and discuss with Council a proposal to develop a Youth Centre, to provide opportunities for young people within the Coomalie Shire to participate in engaging and productive activities.

BACKGROUND

PROPOSAL to COOMALIE COMMUNITY GOVERNMENT COUNCIL-
Dr Jan Hills

There is a need for tackling youth behaviour problems in Batchelor. Long time ago we brought the Duke of Edinburgh scheme into Batchelor and I remember then that it was difficult to get a youth leader within the secondary school to monitor and assist young people. Some youth may not even be in school to allow that avenue anyway.

I did see a youth centre featured on television and my thinking is that we need a modern offering to capture the attention and empty hours.

Land

So my proposal is to ask whether the Council will allocate land for a youth centre. My thinking is around from the fire and Men's sheds would be good-I know there is not a lot of land available. If that is not possible then we brainstorm to get land but central town is good.

Building

Then need premises. My suggestion is that we advertise for a donated building-large. Preferably a very long room as the main part. This to be done with an advertised launch and hopefully will get someone to donate-maybe one of those many houses at Berrimah or a shed from a manufacturer or a mining company. I think the way the project is portrayed to the general public is important and it needs to be seen as a plus to help.

Amenities and Services

Amenities and smaller activities with a second building or as can fit.

Preparation and Services.-

Apply for Grants.

Ask local contractors to donate time and expertise.

Activities.

Need computers; games machine/s. screens so film clips etc can be displayed.

Musical instruments.

Area for dance, yoga;

gym equipment.

Again will need to go out for donations and Grants. But also could acquire computers that maybe superfluous.

Will evolve.

Youth Worker

Suggest ask Anglicare/ Salvation Army for guidance re a youth worker.

One advantage of having the center near the men's shed is that some youth may be interested to ask for assistance with learning how to utilize equipment and to make/ repair items. Again someone with technical expertise may be available to introduce other interests. Many possibilities.

The youth center could well be a way to lead people into a trade or job.

The whole thing is that the youth "own" the project and take it forward. We assist by getting it started.

Please give this a favorable consideration,

regards,

Jan

7.9 MILES ROAD DRAINAGE ISSUE

Applicant:	N/A
Location/Address:	N/A
File Ref:	
Disclosure of Interest:	Nil
Date:	18 th February 2020
Author:	Anna Malgorzewicz, Chief Executive Officer
Attachment:	Litchfield Council Engineering Report

SUMMARY

The Miles Road landholder requested the long-standing issue of watercourse management and flow be addressed by Council to stop further damage, and if possible rectify the damage already caused.

The previous CEO requested Litchfield Council inspect the property and provide Council with viable options to address drainage and erosion issues impacting the property at Lot 86 Miles Road.

BACKGROUND

A written complaint was received on the 3rd December 2018 from the property owner of 86 Miles Road. It relates to a long-standing erosion issue at the site that also impacts other landholders.

The content of the letter from the landholder follows:

03/12/2018

Re Erosion at the Boundary of my Property at 86 Miles Rd

Some years ago, Telstra laid cables to service the area where my property on Miles Rd is located. Substantial changes to the slope and lay of Miles Rd were made, and the runoff directed via a stormwater channel to discharge onto my property. As a result of these changes, the run off from the storm water drains and Miles Rd itself coursed down the hill and through my land.

Over the last ten or fifteen years, I have attempted to deal with the erosion this regular Wet Season torrent has caused. The erosion gully has at times been deep enough to swallow a small car. I have dumped what must be tonnes of vegetable matter in the gully, and as many rocks as I could obtain. About four or five years ago, the Council assisted by dumping a substantial amount of rocks to slow the water down. I continued to dump vegetable matter and whatever I could find into the gully, and the gully has begun to fill up to some extent.

Unfortunately, the water continues to course down the hill and through my property. It has – again to some extent – changed course, and now has scoured the top spoil from my mango orchard. The area is now nothing but exposed mango roots, rocks, pebbles and weeds brought in by the runoff.

As you will be aware, I have raised this matter nearly every Wet Season for the last ten years or so. I also note that I have paid my rates, which are substantial. I have done everything in my power to manage the situation, including dumping material into the gully and planting sturdy vegetation and trees to stabilise the soil. Nothing I have done, or can do, can stop the damage to my property occasioned by the substantial amount of storm water running down Miles Rd and the stormwater channel over my land. The situation is particularly painful to me as the property is basically maintained as a sanctuary, and is the site of significant rain forest and melaleuca forest, not to mention wild life such as turtles, water monitors, and crocodiles, flying foxes and bats.

Would the Council please address this matter without further delay and take whatever steps are necessary to stop further damage, and, if possible, rectify the damage already caused?

Yours sincerely

Council undertook a comprehensive search of its records and this recent correspondence appears to be the only formal written complaint received by Council. The previous CEO also requested the current Operations Manager document past investigations and options and the following was provided:

- 1. This problem has been there since Council was formed.*
- 2. I have looked at it in the past and suggested that an easement was put in to carry the water down to the spring – this was not accepted at the time.*
- 3. Former CEO in 2012/13 period and I went and had a look, one option I put up was, build a drain on the south side of the road and take the water down to the water flow of the dam wall. This did not occur.*
- 4. Council offered to put rocks at the top of drain- this was done during period approx. 2014 - 2016*
- 5. I have had no contact with this land owner, as former CEO's have been dealing with the landholder.*

Previous CEO's were also canvassed for their recollection of actions and discussions. In summary, there was discussion a number of years ago of putting a culvert under Miles Rd or two nearby neighbouring/adjacent properties. This proposal was not pursued as it would have been very difficult to channel the water into it due to the quantity and the speed. There was also a Telstra pit there as well. Telstra's trench may have been what started the erosion in the first instance.

In December 2019, the Infrastructure Project Coordinator, Litchfield Council, prepared a report (attached) that investigated water flow and drainage issues on Miles Road. Two options have been developed for Council's consideration.

COMMENT

Two options have been recommended. These are:

Option 1

To form a swale drain along the western boundary of Lot 86. If executed with sound design, could serve as a long term solution.

Option 2

To construct a culvert with end walls, to pick up the water flow on the west side of Miles Road. The culvert would cut diagonally across Miles Road to the north east corner where it would discharge into the existing swale drain.

7.10 UNIFORM COMPANION ANIMAL LEGISLATION IN THE NORTHERN TERRITORY

Applicant:	N/A
Location/Address:	N/A
File Ref:	
Disclosure of Interest:	Nil
Date:	18 th February 2020
Author:	Anna Malgorzewicz, Chief Executive Officer
Attachment:	Uniform Companion Animal Discussion Paper

SUMMARY

During the November 2018 Local Government Association of the Northern Territory (LGANT) general meeting, a resolution was passed that LGANT lobby the Northern Territory Government to introduce uniform domestic animal management legislation in the Northern Territory. In February 2019, Mr Damien Ryan, President of LGANT wrote to the Minister for Local Government, Housing and Community Development on this matter. A discussion paper was prepared and circulated to councils for information and comment.

Submissions are due 28th March 2020.

BACKGROUND

Since 1991, local government councils in the Northern Territory have been able to make their own by-laws and rules about companion animal management without a mandatory scheme applicable to all councils.

The management and control of dogs in the Territory was formerly regulated by the *Dog Act 1980* (the Act). This Act included:

- the requirements to register all dogs and for dogs to wear tags during the period of registration.
- licensing of premises where more than two dogs were to be kept.
- sterilisation of dogs.
- establishment of pounds.

- seizing, impounding and release or destruction of dogs; and
- the appointment of registrars, inspectors and pound managers.

The Act allowed local government councils to make rules (by-laws) in relation to:

- the management of pounds they established.
- the form and type of dog-tag that was to be worn by a registered dog ordinarily kept in their local areas.
- the manner in which sterilised dogs were to be marked; and
- the declaration of any area of vacant Crown land within their council areas as a public place for the purposes of the Act.

Of note, a local government council did not have the power to appoint a registrar unless it had established a pound. In practice, the Act only applied to urbanised areas of the Territory.

The Act was repealed in 1991 by the *Dog Act Repeal Act* (the Repeal Act). The repeal of the *Dog Act* 1980 was requested by the then Darwin City Council and Palmerston Town Council. Those councils indicated their preference for stronger controls than those that were available at the time under the Act. Alice Springs Town Council also supported the repeal.

The attached discussion paper has been developed to inform and generate feedback about Territory-wide Companion Animal legislation. The issues and questions identified in this discussion paper are provided as a guide. Council is invited to address these issues and questions, as well as any other matter related to the management and control of companion animals in the Northern Territory.

COMMENT

Council has been responsible for the implementation of Dog Management By-Laws since 2002. A response to the Uniform Companion Animal Legislation Discussion Paper should be developed consistent with the framework provided by these By-Laws.

7.11 LITCHFIELD NATIONAL PARK WASTE

Applicant: N/A

Location/Address: N/A

File Ref:

Disclosure of Interest: Nil

Date: 18th February 2020

Author: Anna Malgorzewicz, Chief Executive Officer

Attachment: Litchfield Regional Tourism Inc. letter

SUMMARY

In December 2019, Litchfield Regional Tourism Incorporated (LRTI) wrote to Council seeking support in managing waste generated by visitors to Litchfield National Park. The proposal includes the installation of skip bins at designated locations, such as Batchelor and Tumbling Waters, and that both Coomalie Community Government Council and Litchfield Council would be responsible for the management and all costs associated with the skip bins.

BACKGROUND

Litchfield National Park is a Northern Territory Government owned and managed asset. In its correspondence to Council, the LRTI acknowledge that Parks NT was approached some years ago regarding improved waste management services for visitors to Litchfield National Park. Parks NT policy is a “rubbish in/rubbish out” position. The LRTI argue that this policy has negative impact on the townships of Batchelor, Berry Springs and Dundee and request both Litchfield and Coomalie Councils assist with the management of waste through the provision of skip bins at strategic locations at access points to the Park, such as Tumbling Waters or Batchelor.

COMMENT

The LRTI is seeking Council’s support and has indicated that it would be willing to meet with Council to explore the proposal further.

BACKGROUND

The Local Government Association of the NT (LGANT) hosts a biannual forum of councils at which matters relevant to shire and regional councils can be shared and explored. These can include land management, community health and wellbeing or strategies to mitigate disadvantage associated with remoteness. There is opportunity for all shire and regional councils to propose notices of motion or to seek support in lobbying layers of government regarding pertinent matters.

CRO February 2020

All upcoming events have been affected by the resignation of both Casual Relief Community Recreation Officers.

The permanent CRO position has been advertised for several months without a suitable candidate being found. The CEO is reviewing the Position Description for Community Recreation Officer and the position will be re advertised to a wider employment market as soon as possible.

The 78th Anniversary of the Bombing of Darwin – Commemorative Service at Adelaide River War Cemetery. 10.00am Thursday the 20th of February. The service will be going ahead as planned with Acting Corporate Services Officer, Finance and Operations staff sharing organisational duties.

Seniors Bingo Morning Tea – Bingo morning tea is usually held on the last Thursday of the month at the Adelaide River Store. Further sessions will not be hosted by Council until a new CRO officer is appointed. It would be possible to lend the Council bingo equipment to the seniors should they wish to run the sessions themselves.

Seniors Mystery Bus Tour – Council has been providing a free monthly bus service for a mystery lunch trip to somewhere in the outer Darwin area, where participants pay for their own lunch. The February tour was cancelled, seniors who have made bookings for the March trip will be notified that the trips are now cancelled until further notice.

After School Sports – Principals from both schools have been notified that this activity is cancelled until further notice. Discussions have been started with Batchelor Outdoor Education Centre staff to see if a short-term solution can be found using one of their staff members who assists Council with Casual Relief Pool Supervisor duties.

Anzac Day- Saturday 25th April- Planning and organisation going ahead with Acting Corporate Services Officer, Finance and Operations Supervisor covering these duties in the short term.

NOTE

For the information of Council.
